REQUEST TO UPDATE CATALOG
FOR GRADUATION REQUIREMENTS

Students may graduate under the catalog requirements for the year in which they are first enrolled, provided they complete graduation requirements within a continuous period of no more than 10 years. If a student withdraws or is withdrawn for any reason from the University and is subsequently readmitted after an absence of two or more semesters, re-admittance will be governed by the catalog current at the time of readmission. **Any exceptions to the policy must have prior approval from the Provost.** Students should obtain and keep a copy of the catalog under which they enter or are readmitted. Students may also elect to follow any _subsequent_ catalog.
