Locker Rules

Students must sign out lockers before use.

Once a locker is signed out, it can be used for the semester.

Students must supply their own lock and are responsible for any lost, misplaced, damaged, or stolen items.

Locks that are placed on lockers without prior approval will be removed along with the contents of the locker. Belongings will be kept for 48 hours in LARC 267. If not retained by the proper owner, the belongings will either be donated or discarded.

Please use the lockers with care and respect.
