

## Why do we have an A/P Council?

- ⇒ To advocate for administrative/professional staff and voice their concerns
- ⇒ To stimulate and support development opportunities
- ⇒ To provide a medium of exchange of relevant information among employees
- ⇒ To act as a liaison between A/P staff and other organizations
- ⇒ To promote the value of A/P staff in helping the University achieve its mission and strategic plan

## A/P Council Meetings

Join us every 2nd Wednesday of the month in the Aspen Leaf. We discuss current campus issues and happenings, catch-up on departmental or office changes and provide an effective forum to share ideas and opportunities. Bring your coffee or tea, light refreshments are provided.

## Professional Development Event
