

Construction Management

Contact for Construction Management Department: 719-549-2890
<https://www.csupueblo.edu/construction-management/>

This agreement identifies community college courses that will apply to the baccalaureate degree.

If you plan to complete this bachelor's degree, recognize that:

1. You should transfer into the bachelor's program after you take the courses outlined below. Transfer hours beyond the credits below are not guaranteed to apply toward the bachelor's degree.
2. It is imperative that you contact an advisor at the 4-year institution by the end of the first semester to clarify course work appropriate for this major and to identify the community college courses and GPA necessary to meet admission requirements to both the 4-year institution and the degree program.
3. This Transfer Guide does not supplant any other transfer agreement your Colorado community college may have with this 4-year institution.

Transfer Recommendations: To graduate in a 4 year overall time frame, it is important that students follow the recommended schedule below. Students who wish to continue their education at the community college beyond the number of credits specified below should explore with both 2-yr and 4-yr advisors how their graduation timeline, COF stipend, and financial aid will be affected.

Guarantees and Limitations: Students:

- are responsible for meeting all admission requirements at the 4-year institution;
- are not guaranteed admission to the bachelor's degree program at the 4-year institution;
- are guaranteed, once admitted, application of the transfer hours below to either lower division general education, course work required for the major, or elective credit;
- must consult with the 4-year institution's bachelor's degree program to utilize AP, IB, or CLEP credits;
- must consult with the 4-year institution's bachelor's degree program for transferability of course work credits beyond those prescribed below as additional courses are major specific and the 4-year institution may restrict the number of community college transfer credits.

Please note that this curriculum neither fulfills the gtPathways general education curriculum nor the associate degree requirements at the community college.

Required General Education Courses Applicable to the Major (38 credits)				CSU-Pueblo Course & Credits

Special Program Notes:

Due to credit differentials between CSU-Pueblo courses and CCCS courses, and varying course offerings at individual two-year institutions students are **STRONGLY ENCOURAGED** to contact the Construction Management Dept. at CSU-Pueblo during their first semester at their respect two-year institution for assistance in planning their transfer to CSU-Pueblo.

Other technical courses not listed above may be transferrable; however, students **MUST** consult with CSU-Pueblo Construction Manage Dept. before enrolling in such course(s).

Students are encouraged to check with their respective two-year institution to determine if this guide will qualify for an Associate of General Studies Degree.

Admission Requirements to the Institution and the College/School/Department

Students transferring from community college should refer to the published admissions standards at: www.csupueblo.edu

For additional information you may contact the Office of the Registrar at: 719-549-2261

Transfer Disputes

If disagreement regarding the transferability of credits for coursework or a degree occurs between a student and a receiving two-year or four-year institution, the Department will facilitate an expeditious review and resolution of the matter pursuant to Commission Policy, Section I, Part T: Student Complaint Policy. For more information, contact the Department at 303-866-2723 or file a complaint at <http://higherred.colorado.gov/Academics/Complaints/default.html>

The chart shown below illustrates the remaining requirements to complete the BS in Construction Management after transferring to CSU-Pueblo. 60 semester credits are the maximum amount of transfer credit allowed from two-year institutions. Therefore the credits shown below **MUST** be completed at CSU-Pueblo.
