

Transfer & Advising Guide for Community College Students Transferring to:  
Colorado State University-Pueblo Bachelor of Science in

## Wildlife and Natural Resources (Terrestrial Emphasis)

Contact for Biology Department: 719-549-2743  
<https://www.csupueblo.edu/biology/index.html>

This agreement identifies community college courses that will apply to the baccalaureate degree.

**If you plan to complete this bachelor's degree, recognize that:**

1. You should transfer into the bachelor's program after you take the courses outlined below. Transfer hours beyond the credits below are not guaranteed to apply toward the bachelor's degree.
2. It is imperative that you contact an advisor at the 4-year institution by the end of the first semester to clarify course work appropriate for this major and to identify the community college courses and GPA necessary to meet admission requirements to both the 4-year institution and the degree program.
3. This Transfer Guide does not supplant any other transfer agreement your Colorado community college may have with this 4-year institution.

**Transfer Recommendations:** To graduate in a 4 year overall time frame, it is important that students follow the recommended schedule below. Students who wish to continue their education at the community college beyond the number of credits specified below should explore with both 2-yr and 4-yr advisors how their graduation timeline, COF stipend, and financial aid will be affected.

**Guarantees and Limitations:** Students:

- are responsible for meeting all admission requirements at the 4-year institution;
- are not guaranteed admission to the bachelor's degree program at the 4-year institution;
- are guaranteed, once admitted, application of the transfer hours below to either lower division general education, course work required for the major, or elective credit;
- must consult with the 4-year institution's bachelor's degree program to utilize AP, IB, or CLEP credits;
- must consult with the 4-year institution's bachelor's degree program for transferability of course work credits beyond those prescribed below as additional courses are major specific and the 4-year institution may restrict the number of community college transfer credits.

Please note that this curriculum neither fulfills the gtPathways general education curriculum nor the associate degree requirements at the community college.

Required General Education Courses Applicable to the Major (38 credits)				CSU-Pueblo Course & Credits
	Credit Hours	Community College (CCCS) Course No.	Course Title and gtPathways Category	
Written Communication	6	ENG 121 ENG 122	English Composition I (GT-CO1) English Composition II (GT-CO2)	ENG 101, 3 credits ENG 102, 3 credits

Mathematics	3	MAT 135	Introduction to Statistics	MATH 156 / 3 credits
			<b>*1 credit each for BIO 111 &amp; 112, 1 credit for CHE 203 and 1 credit for PHY 111 count as General Electives</b>	

### Admission Requirements to the Institution and the College/School/Department

Students transferring from community college should refer to the published admissions standards at: [www.csueblo.edu](http://www.csueblo.edu)

For additional information you may contact the Office of the Registrar at: 719-549-2261

### Transfer Disputes

If disagreement regarding the transferability of credits for coursework or a degree occurs between a student and a receiving two-year or four-year institution, the Department will facilitate an expeditious review and resolution of the matter pursuant to Commission Policy, Section I, Part T: Student Complaint Policy. For more information, contact the Department at 303-866-2723 or file a complaint at <http://higherred.colorado.gov/Academics/Complaints/default.html>

The chart shown below illustrates the remaining requirements to complete the BS in Wildlife and Natural Resources (Terrestrial Emphasis) after transferring to CSU-Pueblo. 60 semester credits are the maximum amount of transfer credit allowed from two-year institutions. Therefore the credits shown below **MUST** be completed at CSU-Pueblo.

Additional Required Biology Courses		
BIOL 171	First Year Seminar	1 credit
BIOL 201/L	Botany/Lab	4 credits
BIOL 202/L	Zoology/Lab	4 credits
BIOL 321/L	Comp Vert Anatomy	5 credits
BIOL 352	Evolutionary Biology and Ecology	3 credits
BIOL 443/L or BIOL 453/L	Limnology/Lab or Ecology/Lab	4 credits
BIOL 485/L	Plant Taxonomy/Lab	4 credits
BIOL 486	Field Botany	3 credits
BIOL 493	Seminar	1 credit
<b>Choose 2 courses (6 credits) from the list below:</b>		
BIOL 481/L	Entomology	3 credits
BIOL 483/L	Mammalogy/Lab	3 credits
BIOL 484/L	Ornithology/Lab	3 credits
Wildlife and Natural Resources Courses		
WANR 302	Principles of Wildlife Management	3 credits
WANR 303	Natural Resource Policy Admin	3 credits
WANR 304	Human Dimensions in Nat Resource Mgmt	3 credits
WANR 402	Management of Endangered Species	3 credits
Additional Degree Requirements		
MATH 356	Statistics for Scientists and Engineers	3 credits
COMR 221	Interpersonal Communication	3 credits
General Electives		11 credits
<b>Total Transfer Credit Applied Toward B.S. Degree</b>		<b>60</b>
<b>Total Additional Credit Required for B.S. Degree</b>		<b>60</b>
<b>Total B.S. Degree Requirements</b>		<b>120</b>
