BA Students AVG Success Rubric 1 3.6 100% scored above target Rubric 2 3.75 100% scored above target Rubric 3 3.75 100% scored above target Rubric 4 3.85 100% scored	department's conclusions about student performance? Of the students seeking the BA, 100% scored above target on all rubric points which indicates our technique training is working well. However, these figures may be influenced by the small sample of students in the BA pathws y(4). Given that, the department will explore ways that we may improve our assessment techniques to accommodate smaller cohorts such as	changes/improvements to the program are planned based on this assessment? Over the past four years now, the department of Art & Creative Media has identified areas of student performance that need to be addressed. Among them are; writing and research skills, public speaking and communication as well as developing intellectual maturity (SLO 3 + 4). The department has continued to work on actions that will improve the student experience in these areas that include changes to courseworks and advisement, a revised set of student learning outcomes and program assessment rubric. We have reviewed some of the modifications in our teaching that were implemented in order	
here verbatim from your assessment plan. Please enter info in columns B-H only for those assessed during this annual cycle. 1. Exploration of the Creative Process: Experiment with and adopt a variety of processes, methods, and interpretations to explore innovative solutions to creative challenges. 2. Development of Skills & Techniques: Exhibit sufficient fluency in one or more media to craft work that meets appropriate professional standards for the scale and scope of a project. Demonstrate an ability to adapt techniques and formal methods to serve the objectives of the work. 3. Communication of Ideas & Context: Clearly articulate visually varily, and in writing the content and context of art historical research and creative work. 4. Demonstrate Awareness & Intellectual Maturity: Display a willingness to question one's own perspective. Approach the creative and scholarly process with curiosity and persistence. Take initiative in working independently or collaboratively to achieve	reported on prior to this cycle? (semester and year)	used for assessing the SLO? Please include a copy of any rubrics used in the assessment process. Direct assessment: Students present a five ~ ten minute overview of their research, creative work and concepts to the Department of Art & Creative Media faculty via prerecorded Powerpoint or Keynote. An evaluation survey is completed by participating faculty members assessing the work using the department rubric. Department Rubric 1) Objectives / Process Project (s) development is well documented. Comments on part I:	The .pdf document contains a revised Department of Art Statement , Department Goals , Student Learning Outcomes, Department Rubric and Assessment plan. Explorations around collaboration with other CHASS departments will affect the details and implementation of the ideas contained in the document. The influence of the School of Creativity + Practice and collaborations of the departments involved will necessitate improvements in assessment which will be developed over the next academic year 22/23 to be implemented for the year 23/24.						
II. Closing the Loop. Describe at leas during the year cycle. These are tho the results of assessment from prev	se that were based on, or in						
A. What SLO(s) or other issues did you address in this cycle? Please include SLOs verbatim from the assessment plan, as above.		C. What were the recommendations for change from the previous assessment column H and/or feedback?	D. How were the recommendations for change acted upon?	E. What were the results of the changes? If the changes were not effective, what are the next steps or the new recommendations?
