- I. Regular Agenda
  - a. Confirmations: President Huerta: We are having a geo filter on snapchat for PackFest. We will have a total of three different ones. As ASG we are paying for them but, we are asking S.E.A.L. for one hundred dollars to help pay for the cost. Senator Trujillo: Do we pay for them individually or how does that work? President Huerta: Well you not only pay per geo tag but also you pay for the amount of area you want covered, but I am not completely sure on price of either but I will get back to you on that. Pro Temp. Ball: Since we are paying for majority of the cost do we get advisement throughout PackFest? President Huerta: Currently I am unsure but I will get back to you all on that.
