All items listed in this portion of the agenda are considered to be routine by the ASG Senate and will be enacted by one motion. There will be no separate discussion of these items unless a Senator so requests; in which event, the item will be removed from the Consent Agenda and considered under the Regular Agenda. Unless otherwise indicated,

- a. Consent Agenda Items
- l. Regular Agenda:
 - a. Elior: Brandon Samora discusses food policy
Organizations cannot afford the \$100 limit for catering when we are required to buy food through Elior. Handmade food will be discussed as a possible grey area. Elior and auxiliary services check trash cans after events. Jerry will possibly come and talk to us next week. Can we provide a disclaimer to the student organization? We can voice frustrations.

b. President Munn: Discusses university budget

I want to provide transparency. We have 6 places of revenue. Trying to have 3 fundraisers. Barnes and Noble were made to gain revenue. The goal is to generate more revenue. The university has frozen pay raises for faculty and staff. The ultimate goal is for this to be an access community to reduce costs and make it affordable to come here.

c. Winter wonderland discussion tabled until next week; we are open to sponsors for toys.
