IMPORTANT INFORMATION ABOUT OUR WAIT LIST

We have no way of predicting when a space may become available. Listing your child on the wait list does not guarantee admission to the center for any specific time or date.

Priority for available spaces is granted to current CSU-Pueblo students with five-day full time filled first, then Faculty/Staff, then alumni, then community.

Two contacts will be made to notify you of an available opening. After two contacts, parents who have declined spaces, or not returned phone calls or emails, will be removed from the wait list. If the phone numbers or emails you have given us are not correct or have changed, you will be removed from the wait list. **(Please, contact us to provide us with updated information as needed. Keeping your information current is your responsibility)**

The \$75 registration fee for the wait list is NON-REFUNDABLE.
