

Banquet Seating

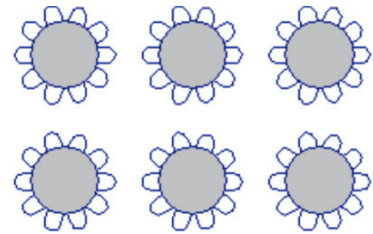

Banquet Rounds Staggered

Tables placed in staggered horizontal rows.

60" Rounds: 6-8 guests per table
72" Rounds: 8-10 guests per table
Half Rounds: up to 6 guests per table

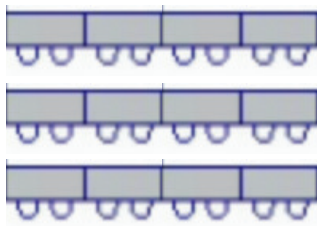

Banquet Rounds

Tables placed in linear rows.

Meetings, Conferences & Professional Development

Classroom

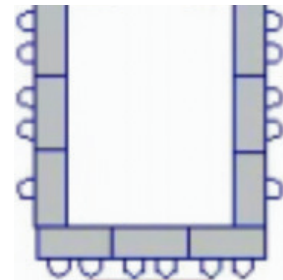

Tables in horizontal rows, facing the same direction toward the presenter.

Classroom style seating is used when guests are taking notes or space is needed for materials. Participant interaction is minimal.

Rectangle Table Types:
6' x 30" Tables (standard set up)
6' x 18" Seminar Tables (by request)

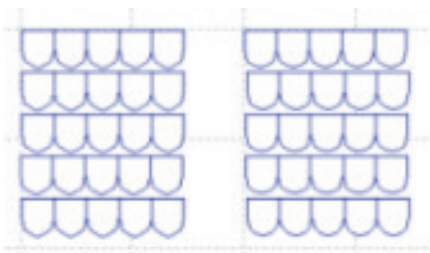

U-Shape

Tables set in the shape of the letter "U" - one to two chairs line the outside.

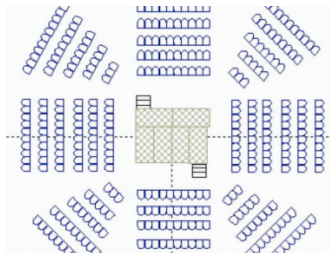

Lectures & Keynote

Lecture

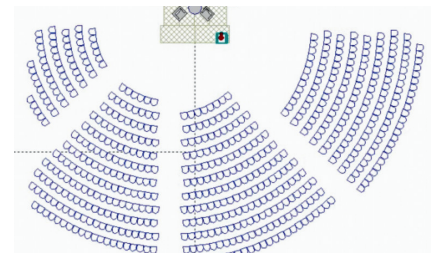

Chairs set in horizontal rows, facing the same direction.
May have an aisle, depending on the number of chairs used.

In-The-Round

Stage set in the center of the room.
Rows of chairs set surrounding the stage, all facing the same direction toward the presenter.

Lecture Amphitheatre

Curved rows of chairs set in an arc format, facing the same direction toward the stage.
