Message From The CSU–Pueblo President

The 2016 Fire Safety and Security Report contains important information about our campus environment as part of our University’s commitment to meet the standards and requirements established by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. All colleges and universities that participate in federal financial aid programs are required to keep and disclose crime statistics per the Clery Act, enacted in 1990. The annual report tracks the following offenses: homicides, sexual assaults, robberies, aggravated assaults, burglaries, arsons, motor-vehicle thefts, liquor-law and drug violations, illegal weapons possessions and hate crimes. Due to the changing dynamics of society and university campuses, the report includes the additional requirement of statistics and campus programming for domestic violence, dating violence, and stalking.

For more than a decade, the Pueblo County Sheriff’s Office (PCSO) has provided law enforcement services as well as community-oriented prevention and education activities that help to reinforce safety to students, faculty, staff, and campus visitors. This annual report serves as a resource of safety information as well as policies and procedures that we hope will help secure a safe environment in which to teach, learn, and work.

**INTRODUCTION**

The information in this report is provided to educate current students, prospective students, faculty, and staff about safety and security policies, procedures, and statistics for Colorado State University–Pueblo (“University" or “CSU-Pueblo”). The University believes that a well-informed campus community is better prepared to deal with crime and emergency situations. The University encourages campus community members to become actively involved with the safety and security of students, faculty, and staff.

In 1990, the Higher Education Act of 1965 (HEA) was amended to include the Crime Awareness and Campus Security Act of 1990 (Title II of Public Law 101-542). This amendment required all postsecondary institutions participating in Title IV student financial aid programs to disclose campus crime statistics and security information. In 1998, the act was renamed the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act in memory of Jeanne Clery, a university student who was killed in her dorm room in 1986. More commonly known as the Clery Act, this law requires colleges and universities to:

- Collect, classify, and count crime reports and statistics
- Issue campus alerts
- Publish an annual security report
- Submit crime statistics to the Department of Education
- Maintain a daily crime log
- Disclose missing student notification procedures
- Provide fire safety information

**PREPARING THE ANNUAL REPORT**

This report is compiled by the CSU-Pueblo Safety Team that is comprised of campus law enforcement, administrators, and staff members who are responsible for and/or directly involved with safety and security of the campus:

- Associate Vice President of Facilities Management
- Pueblo County Sheriff’s Office at CSU-Pueblo
- Dean of Student Affairs
- CSU System Deputy General Counsel
- Executive Director of External Affairs
- Director of Student Conduct and Case Management

The Pueblo County Sheriff’s Office at CSU-Pueblo prepares this annual disclosure of crime statistics report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The report is prepared in cooperation with the Division of Student Affairs including the Office of Residence Life and Housing and the Office of Student Conduct. Campus fire, crime, arrest, and disciplinary referral statistics include those reported to the Pueblo County Sheriff’s Office at CSU-Pueblo and to University Campus Security Authorities.
LAW ENFORCEMENT QUALIFICATIONS & AUTHORITY

Law enforcement services at CSU-Pueblo are provided by the Pueblo County Sheriff’s Office. The Sheriff’s Office is staffed with experienced State-Certified peace officers who are current in Colorado Peace Officer Standards and Training (P.O.S.T.) procedures. All of these officers have the authority to make an arrest. Additionally, the Pueblo County Sheriff’s Office provides law enforcement and emergency services to unincorporated Pueblo County. This connection to the community means that campus law enforcement is up to date with developments in the community allowing them to better serve the campus. Deputies assigned to CSU-Pueblo actively monitor off-campus crime as it relates to the campus, students, faculty, and staff.

LAW ENFORCEMENT PARTNERSHIPS

CSU-Pueblo has a contractual and collaborative agreement with the Pueblo County Sheriff’s Office to provide all law enforcement services on campus. This partnership allows CSU-Pueblo to have access to all services that are available to the larger community, including emergency management, search and rescue teams, investigations unit, high-tech crimes unit, and SWAT teams. Because CSU-Pueblo is adjacent to State of Colorado Highway property and City of Pueblo residential and commercial property, the Sheriff’s Office and CSU-Pueblo work closely with the Colorado State Patrol (CSP) and the Pueblo City Police Department (PPD) to address any issues, emergencies, or community service needs that may involve both CSU-Pueblo and CSP and/or PPD geographical areas of jurisdiction.

Take Safety Precautions

Students, faculty, and staff should take the following precautions to prevent circumventing policies designed to protect the safety of self and others:

✓ Do not prop doors open or allow strangers into campus buildings that have been secured.
✓ Do not lend keys or leave them unattended.
✓ Do not give codes to anyone.
✓ Keep your valuables secured and out of sight.
✓ Notify the Sheriff’s Office of any suspicious activities or individuals.

This report is posted on the CSU-Pueblo website
http://www.csupueblo.edu/campussafety/Pages/Default.aspx

Copies of the report are retained in the offices of Admissions, External Affairs, Human Resources, Facilities Management, Dean of Student Affairs, CSU System Deputy General Counsel.
REPORTING A CRIME

In the event of any crime, fire, or emergency on campus, students and employees should immediately notify the Pueblo County Sheriff’s Office (PCSO), located at CSU-Pueblo. They will respond to all reports and make appropriate referrals to the Pueblo County District Attorney’s Office, appropriate University Administrators, and/or the CSU-Pueblo Office of Student Conduct. The PCSO at CSU-Pueblo is housed in Administration 118. Students also may call (719) 549-2373 for general safety and security information or to contact individual Sheriff’s Office staff.

For all off-campus emergencies, calls should be directed to the local law enforcement agency. Students enrolled in any CSU-Pueblo classes held in Colorado Springs should contact the Colorado Springs Police Department or the El Paso County Sheriff’s Office to report a crime. If attending classes at Ft. Carson Army Base, contact the appropriate Ft. Carson law enforcement authorities to report a crime. Students who reside in the City of Pueblo should direct their emergency calls to 911 or to the Pueblo City Police Department (719) 553-2502.

CONFIDENTIAL CRIME REPORTING

A witness of a crime who wishes to remain anonymous may call the CSU-Pueblo Tip Line at (719) 549-2376. The Tip Line is a voice message system only; and therefore, immediate action will not be taken. Witnesses of crimes also may report to Pueblo Crime Stoppers at (719) 542-7867.

REPORTING A CRIME TO A CAMPUS SECURITY AUTHORITY (CSA)

For the purpose of a timely warning, the University encourages students and employees to promptly report any fire or criminal activity directly to the Pueblo County Sheriff’s Office at CSU-Pueblo. However, students and employees also may report a fire or crime to a Campus Security Authority (CSA) who is responsible for forwarding non-identifying information to the CSU-Pueblo Sheriff’s Office for inclusion in the annual Security Report, regardless of whether the victim chooses to file a report with law enforcement.

Exemption from Reporting

Licensed professional mental health counselors and pastoral counselors (employed by religious organizations to provide confidential counseling) who are working within the scope of their license or religious assignment at the time they receive the crime report are exempt from reporting under the Clery Act.

Secure Access to Campus Facilities

Preserving a safe and secure environment is the responsibility of everyone on campus. Employees have the responsibility to secure their work area, and students have the responsibility to lock their residence hall rooms and apartments as well as secure their personal property.

Most campus buildings and facilities are accessible to the public during normal business hours Monday through Friday, excluding holidays. Certain facilities may be opened by facilities personnel for designated hours on weekends and evenings. Buildings may be secured at different times based upon class schedule, special events, and computer lab hours.

Secure Access to Residential Facilities

All residence halls are secured using a card access system. Residence halls are accessible to the campus community and visitors from 8 a.m. to 5 p.m. Monday through Friday. Residence Halls have restricted access on weekends from 5 p.m. on Friday to 8 a.m. on Monday. During those hours, any visitors must be accompanied by a hall resident, and the resident must provide proper identification and access card. Visitors must sign in at the front desk. Access to the residence halls after business hours may be made available for campus programming. Campus apartments are secured by lock and key and are not available for community access at any time.

Security Considerations in Building Maintenance

Although maintenance requests are prioritized based upon need, budget, and emerging conditions, safety and security issues that are observed may be cause for quicker response and handling. If a student, faculty, staff, or visitor notices a potentially dangerous or hazardous condition concerning maintenance, they should immediately contact the University Physical Plant at (719) 549-2211. The university conducts a semi-annual nighttime review of outdoor lighting and responds by installing or repairing lighting as needed.

The University requires all contractors who work in campus-owned residences to agree to and follow the policies and procedures set forth in the Special Contract Conditions for Construction Projects in Occupied Student Housing Facilities at Colorado State University-Pueblo. Contractors are required to adhere to special contract conditions for projects that involve construction within or adjacent to student housing facilities, defined as residence halls and apartments. The contractor, all workers, subcontractors, deliverymen, and anyone else coming on to the work site must be informed of the requirements to respect the students’ privacy and enjoyment of their residences. The work must be done in a manner that maintains the security of the students’ residences, limits contact with the residents, provides advance notice of any work that may affect the residents, and limits communications about the project to those persons designated by Colorado State University-Pueblo.
TIMELY WARNING & EMERGENCY NOTIFICATION

Timely Warning
Under the Clery Act (20 U.S.C. state § 1092), Colorado State University-Pueblo, through designated personnel, is responsible for issuing a “timely warning” if a crime has been reported and CSU-Pueblo determines there is a serious or continuing threat to the campus community. In addition, CSU-Pueblo is required to send an “emergency notification” if there is an immediate threat to the health or safety of students or employees occurring on campus.

The decision to issue a timely warning or an emergency notification:
- Will be decided on a case-by-case basis in compliance with the Clery Act and after consideration of available facts.
- May depend on the nature of the crime, the continuing danger to the campus community, and the possible risk of compromising law enforcement efforts.
- Will depend upon the particular health or safety threat. CSU-Pueblo will, without delay, take into account the safety of the community, determine the content of the notification, and will determine whether to initiate the notification system.

Emergency Notification
The emergency notification system will be immediately activated when University-authorized representatives become aware of and confirm a critical incident or other emergency situation that potentially affects the health and/or safety of the campus community.

Law enforcement and University officials will assist those preparing the emergency notification with determining what segment or segments of the campus community should receive the notification. Generally, campus community members in the immediate area of the dangerous situation (i.e. the building, adjacent buildings, or surrounding area) will receive the emergency notification first. The University may issue subsequent notifications to a wider group of community members. In addition to the emergency notification that may be issued via the University mass notification system, the University also will post applicable messages about the dangerous condition on the University web site and social media outlets to help ensure the rest of the campus is aware of the situation and the steps they should take to maintain personal and campus safety. The university will not disclose the identity of any victim related to the situation prompting the notice.

If the emergency affects a significant portion of or the entire campus, University officials will distribute the notification to the entire campus community. With the assistance of the Pueblo County Sheriff’s Office, the University will determine the content of the notification. The University has developed a wide range of template messages addressing several different emergency situations. The communications officers (or others issuing the alert) will select the template message most appropriate to the on-going situation and modify it to address the specifics of the present incident.
HOW TO SIGN UP FOR THE EMERGENCY ALERT SYSTEM

HOW DO I REGISTER FOR EMERGENCY ALERTS? Enrollment is not automatic, and participation in this program is voluntary. Students must register for the service and will be responsible for updating their personal cell phone numbers in the event their contact information changes. It may take up to 72 hours for a cell phone number to become active in the Emergency Notification System.

➤ Sign on to your PAWS Account
➤ Click the “Emergency Text” Tab
➤ Respond to prompts each time you register

HOW DOES THE SYSTEM WORK? In the event of an emergency, a scheduled testing of the emergency system, or an unexpected closing of the University, a text message will be sent to all enrolled cell phones.

Each text message will begin with the message “*CSU-Pueblo ALERT!*” and will follow with the nature of the alert and any additional information. The text message will be brief, and you will be instructed to check the main CSU-Pueblo website or other media outlets for more information. You will receive messages within a few minutes of their transmission as long as your cell phone is turned on. The University will test the system each semester by sending a test message.

DOES IT COST? The service is free, but you may be charged your cellular service provider’s standard rates. If you have verified the registered cell phone number is correct and you do not receive the once-a-semester test message, you will need to check with your carrier to make sure your number is not blocked from receiving subscription text messaging from short codes.

**SEXUAL MISCONDUCT**

Sexual misconduct includes any behavior of a sexual nature that infringes upon the rights of any individual to pursue their educational goals in an environment free from violence, intimidation, and/or harassment. This includes but is not limited to, sexual assault, rape, and other forms of non-consensual sexual contact, sexual harassment, and sexual exploitation. CSU-Pueblo prohibits the crimes of dating violence, domestic violence, sexual assault and stalking.

**SEXUAL ASSAULT, DATING VIOLENCE, DOMESTIC VIOLENCE, STALKING**

**WHAT IS SEXUAL ASSAULT:**

Sexual Assault - Any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.

Rape - The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

Fondling - The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

Incest - Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Statutory Rape - Sexual intercourse with a person who is under the statutory age of consent.

Colorado Law defines consent as: cooperation in act or attitude pursuant to an exercise of free will and with the knowledge of the nature of the act. A current or previous relationship shall not be sufficient to constitute consent. Submission under the influence of fear shall not constitute consent.

**WHAT IS DATING VIOLENCE:**

Dating violence means violence committed by a person:

1. who is or has been in a social relationship of a romantic or intimate nature with the impacted party; and
2. where the existence of such a relationship shall be determined based on a consideration of the following factors:
   a. the length of the relationship;
   b. the type of relationship;
   c. the frequency of interaction between the persons involved in the relationship.
WHAT IS DOMESTIC VIOLENCE:

Domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the State of Colorado or other jurisdiction in which this policy applies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

WHAT IS STALKING:

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

a. fear for his or her safety or the safety of others;

b. repeated conduct which reasonably and subjectively causes another person to fear for his/her safety or the safety of another;

c. repeated conduct which causes a person to alter his/her activities in response to the repeated conduct.

Such conduct may include but is not limited to any of the following:

a. following or approaching a person with whom that person has or has had a continuing relationship, or a member of that person’s family or household;

b. contacting a person with whom that person has or has had a continuing relationship, or a member of that person’s family or household whether or not conversation ensues;

c. placing a person with whom that person has or has had a continuing relationship, or a member of that person’s family or household under surveillance.

WHAT TO DO IF THIS HAS OCCURRED TO YOU:

A student or employee has the right to choose whether or not to report the incident to law enforcement. If the student or employee chooses to report the incident then they should report the incident to the appropriate law enforcement authorities that include CSU-Pueblo Campus Sheriff’s Office, (719) 549-2373, or the appropriate law enforcement agency where the incident occurred as soon as possible. The CSU-Pueblo Title IX Coordinator will assist the student with reporting, if the student requests assistance.

It is important to preserve evidence if a student or employee has been a victim of any of these crimes. The preservation of evidence will help prove the crime occurred and also may help obtain a restraining order from the Courts, if necessary. He or she should follow the directions listed below if a sexual assault has occurred to preserve evidence. If the student or employee is a victim of domestic violence, dating violence, or stalking, they should preserve any text messages, pictures, voice messages, call logs, clothing, or other items that may have been involved in the crimes. All items should be given to law enforcement.
The student or employee may choose not to report the incident to law enforcement but may still report the incident to the Title IX Coordinator.

If a student or employee contacts the Pueblo Rape Crisis Center, the Center also will assist with reporting the crime. The Pueblo Rape Crisis Center, (719) 549-0549, will provide an advocate to accompany the student or employee to the hospital and also will inform them of additional resources. The Rape Crisis Center operates a 24-hour hotline for services.

WHAT THE UNIVERSITY WILL DO

The University will refer all sexual misconduct matters to the Title IX Coordinator's Office. The Title IX Coordinator will provide the student or employee with resources within the university and within the community in the event that they are a victim of sexual assault, dating violence, domestic violence, stalking, or any other crime. The university will provide the student or employee with written notification regarding student counseling services, employee assistance programs, health services, mental health services, and victim advocacy. The university also will provide the student or employee with written notification of where to obtain assistance with visa and immigration issues and student financial aid.

The university will provide a victim written notification about options for and available assistance in and how to request changes to their academic, living, transportation and working situations. The University also will provide information on how to obtain a protective order through the courts. University Officials may issue an administrative no-contact order, enforceable via the Student Code of Conduct. Accommodations requested and protective measures will be provided to the alleged victim regardless of whether they report the incident to law enforcement.

Important Tips to Preserve Evidence

The hospital staff will collect evidence, check for injuries, and address the possibility of exposure to sexually-transmitted infections. If clothing has been changed since the assault, the clothing worn at the time of the assault should be brought to the hospital in a clean, sanitary container such as a clean paper grocery bag or wrapped in a clean sheet (plastic containers do not breathe and may render evidence useless). Otherwise, a change of clothing should be brought to the hospital, as the clothing being worn may be kept as evidence. The area where the assault occurred should remain undisturbed—leave all sheets, towels, etc. that may bear evidence for law enforcement to collect.
The Pueblo County Sheriff's Office can provide transportation, if needed, and an advocate from the University, the community, or another support person, can accompany victims to the hospital and remain throughout any exam. The Sheriff's Office will take steps to ensure the student or employee is safe and then seek medical assistance, if necessary. Parkview Medical Center in Pueblo provides Sexual Assault Nurse Examiners (SANE) who can conduct the appropriate and necessary examination to preserve evidence and provide medical assistance.

CONFIDENTIALITY

The University will do everything it can do protect the confidentiality of the student who is an alleged victim of a crime. The University will collect crime statistics without providing the personally identifiable information of the alleged victim or the accused. Any publicly available information will not contain personally identifiable information of the alleged victim or the accused. Accommodations for an alleged victim will remain as confidential as possible and to the greatest extent possible while still making the accommodation. Accommodations for living arrangements, class modifications, employment duties, and other situations will be discussed only with necessary personnel at the university and with the goal of maintaining as confidential a situation as possible given the circumstances.

UNIVERSITY TITLE IX COORDINATOR

The University has designated Kaitlyn Blakey as Title IX Coordinator who responds to students or employees who have been sexually assaulted, sexually harassed, or have experienced any other sexual misconduct.

Students are advised that there are some instances in which the University has a responsibility to act even if the impacted party requests that no action be taken, particularly if other members of the University community may be at risk. In those cases, the University may investigate and take action on the basis of facts it discovers.

The Title IX Coordinator will work with the student and will:

1. Take steps to ensure a safe environment for impacted parties;
2. Provide support, information, and guidance;
3. Provide information regarding community and campus resources;
4. Coordinate available services;
5. Serve as an ongoing point of contact;
6. Work with the impacted parties to make any necessary campus housing arrangement changes, adjustments to class schedules, contact with professors, and any other issues that may arise;
7. Assist the impacted party with notifying the authorities.

**DISCIPLINARY ACTION PROCEDURES FOR SEXUAL MISCONDUCT**

A student alleged to have engaged in sexual misconduct can be disciplined under the Code of Student Conduct and/or prosecuted under Colorado law. The Code of Student Conduct provides procedures for campus discipline. Students accused of sexual misconduct are entitled to the hearing process set forth in the Code of Student Conduct in order to determine whether they violated University policies, and if so, what sanctions should be imposed. However, the University reserves the right to take whatever measures it deems necessary in response to an allegation of sexual misconduct, domestic violence, dating violence, and/or stalking in order to protect students’ rights and personal safety. Such measures include, but are not limited to, modification of living arrangements, interim suspension from campus pending a hearing, and/or reporting to appropriate law enforcement.

Both the alleged victim and accused are entitled to the same opportunities to have an advisor present during a disciplinary hearing, and both are simultaneously informed of the outcome of any disciplinary actions and sanctions, particularly those incidents that involve sexual misconduct. If the alleged victim is deceased, the next of kin of such victim shall be treated as the alleged victim for purposes of this disclosure. These procedures also apply to students who are victims of crimes of violence.

Not all forms of sexual misconduct will be deemed to be equally serious offenses, and the University may impose differing sanctions including – but not limited to - warning, probation, and/or removal from housing, or expulsion, depending upon the nature of the offense. The Code of Student Conduct may be accessed at:

http://www.csupueblo.edu/StudentLife/StudentConduct/StudentConductCode/Pages/default.aspx

**SEXUAL MISCONDUCT POLICY**

All members of the University community, and their guests, have the right to be free from unwanted sexual contact, coercion, abuse, violence, threats of violence, and harassment. Students are expected to conduct themselves in a manner that does not infringe upon the rights of others.
When an allegation of sexual misconduct is brought forward, the University has a duty to investigate the matter and take appropriate action. Anyone found to have committed sexual misconduct will face immediate and appropriate disciplinary action, up to and including expulsion from the University. This CSU-Pueblo Sexual Misconduct Policy affirms these principles and provides recourse for those individuals who have been victims of sexual misconduct. The Sexual Misconduct Policy is available at http://www.csupueblo.edu/StudentLife/StudentConduct/Pages/SexualMisconductPolicy.aspx

Questions about the Sexual Misconduct Policy may be directed to the Title IX Coordinator at (719) 549-2210 or 719-549-2223.

**SEXUAL HARASSMENT**

Any member of the University community who believes he or she has been subjected to sexual harassment should contact the Director of EEO/AA and Title IX Coordinator, (719) 549-2210/2223, to request advice and information about possible ways to proceed and to put the University on notice. Such discussion will be kept confidential to the full extent permitted by law. The University is obligated to investigate allegations of sexual harassment. Complainants are advised that there are some instances in which the University has a responsibility to act even if the Complainant requests that no action be taken, particularly if other members of the University community may be at risk. In those cases, the University may investigate and take action on the basis of facts it discovers.

**EDUCATIONAL PROGRAMS FOR SEXUAL ASSAULT AWARENESS**

All incoming students and student athletes are required to attend orientation, which includes a required sexual assault awareness program. The Title IX Coordinator provides the following information:

- An overview of Title IX and Campus SaVE Act and why they are important
- What is meant by sex discrimination, sexual harassment, sexual violence, and hostile environment
- Understanding issues around stalking and intimate partner violence
- Understanding consent
- How alcohol and drugs are used by perpetrators
- How sexual violence impacts victims
- How to apply bystander intervention best practices
- Good Samaritan policy
- How to report incidents, and how Title IX protects against retaliation
- Possible sanctions and remedies

Each student receives a brochure during training that summarizes University policy, tips regarding sexual violence, stalking, dating violence and domestic violence, information for on- and off-campus resources and services (both confidential and non-confidential).

Faculty & Staff, Orientation Leaders, Resident Assistants, and Residence Hall Desk Assistants are provided with information on how to report a sexual assault, understanding confidentiality and are introduced to the CSU-Pueblo Title IX Coordinator.

Sexual Assault Awareness information brochures are made available to all students, staff and faculty. The brochures identify services and resources available and provide contact information for reporting a sexual assault.

Posters are placed on campus with specific contact information for on-campus and off-campus services, law enforcement agencies, and contacts for medical and counseling services.

Educational programs on preventing and responding to sexual assault are presented in the residence halls, and educational programs and information tables are available throughout the year in various campus locations.
**Bystander Intervention Training** is provided throughout the year in varied formats. Topics include general information and definitions, scenarios, questions, action steps, and available resources. Students are provided with examples of when and how to intervene in various situations.

**Sexual harassment training programs** are provided to faculty, staff, and students on a regular basis. More specific training is provided for resident assistants, coaches, and orientation leaders.

**Pre-matriculation Survey** is given to all incoming students and transfer students.

**Pueblo Rape Crisis Center** is invited to campus several times per year to share information about their services.

MISSING STUDENT POLICY

The following policy has been established to address missing student notification for CSU-Pueblo students living in CSU-Pueblo owned or leased housing and to identify procedures that CSU-Pueblo will follow if any of those students are determined to be missing for 24 hours.

All concerns of a possible missing student should be immediately reported to ANY of the following:

- The Pueblo County Sheriff’s Office at CSU-Pueblo at (719) 549-2373
- The Dean of Student Affairs at (719) 549-2687
- The Residence Life Coordinator on-call at (719) 289-8914

Upon receiving a report of a missing student, the aforementioned individual must immediately notify the Pueblo County Sheriff’s Office at CSU-Pueblo by calling (719) 549-2373.

Every student who resides in on-campus housing shall have the option to identify an individual to be contacted by the University in the event that the student is determined missing. This contact information will be kept confidential and accessible only to authorized campus officials. The University may only disclose this confidential contact information to law enforcement officials for the purpose of a missing student investigation. If a missing student is under the age of 18 and is not emancipated, the University also must notify the student’s parent or guardian.

Upon receiving information that a student cannot be located and may be missing, the Pueblo County Sheriff’s Office at CSU-Pueblo will begin an investigation to determine whether the student is missing and may contact the student’s confidential contact person as part of the investigation.

Once it has been determined that a student living in University owned or leased housing has been missing for 24 hours, the University will notify the student’s confidential contact person within 24 hours; however, the University may act sooner. If the missing student is under the age of 18 and is not an emancipated individual, the University also will notify the custodial parent or legal guardian.
Fire Safety
**Fire Safety**

**Reporting a Fire**
If a student sees a fire in progress, the student should immediately call 911. If a student is aware of a fire that occurred anywhere on campus, the student should report the incident to the Pueblo County Sheriff's Office at CSU-Pueblo, (719) 549-2373.

**Evacuation Procedures**
When an alarm sounds, students should immediately begin to evacuate the building and take the following measures:

1. Leave the room immediately.
2. Close the room door.
3. Walk quietly and quickly to the nearest exit. Do not use the elevators.
4. Remain outside until the signal is given to return to their room.

Students are required to obey all fire regulations. A student who fails to evacuate a residence hall when an alarm sounds will be subject to disciplinary action. Residence Hall staff, CSU-Pueblo Sheriff’s staff, and the Pueblo Fire Department reserve the right to enter student rooms to locate the source of any potential fire or smoke hazard and to ensure that everyone has evacuated the building.

**Fire Protection Services**
Fire protection for the Colorado State University-Pueblo campus is provided by the Pueblo City Fire Department. All Pueblo City Firefighters carry a minimum of an EMT-Basic and Firefighter 1 designations. Additionally, at least one member of each engine company is certified as an EMT-Paramedic. More information on the Pueblo Fire Department may be accessed at: [http://www.pueblo.us/index.aspx?NID=235](http://www.pueblo.us/index.aspx?NID=235)

**Fire Suppression and Detection Systems**
A fire alarm system is available in each on-campus residence hall that includes Belmont, Crestone, Culebra, and Greenhorn halls. Each building and its corresponding fire alarm system contains a Siemens’ main control panel and initiating and notification devices. Examples of initiating devices are: smoke detectors, heat detectors, pull stations, and fire sprinkler control valves. Examples of notification devices are: horns, strobes, and speakers. In addition to monitoring the status of these devices, it also monitors the status of field wiring, annunciators, back-up batteries, and internal operations. When a condition occurs from any one of these devices or a problem is detected within the control panel itself, the main control panel transmits a signal—alarm, trouble, or supervisory—to a Digital Alarm Communicator Transmitter located at the Heating Plant.

In addition, all of CSU-Pueblo’s fire alarm systems serve the purpose of voice evacuation. Each individual building is equipped with a control panel that can be used to initiate building-wide voice commands. Global (campus wide) voice commands can be initiated from one of two designated buildings—the campus Sheriff’s Office and the Physical Plant building. The control panel located in the Sheriff’s Office serves as the master page panel, and the control panel located in the Physical Plant Building serves as a slave panel to the master page panel. Both have the ability to initiate campus wide voice commands in the event of an emergency.
Smoke alarms are located in individual living quarters in Belmont, Crestone, Culebra, and Greenhorn halls. Belmont Hall utilizes battery-powered smoke alarms while Crestone, Culebra, and Greenhorn halls utilize 120VAC hardwired units with battery back-up. As noted above, these are used only for local evacuation purposes within the room and are not connected to the building fire alarm system.

The use of tobacco products and smoking are prohibited in the residence halls. The use of tobacco products is prohibited within 25 feet of any such building intake duct, window, or entrance or entryway, including ramps, walkways, pathways, and any such similar means of entry, unless a University designated tobacco use shelter is provided. Tobacco products must be used in the designated areas. Persons who wish to use tobacco products outside of the residence hall shall do so in a manner that minimizes an accumulation of smoke and tobacco waste. Individuals who use tobacco products are responsible for the proper disposal of such in designated receptacles.

Gasoline, kerosene, ether, oil, and any other flammable liquids are prohibited in residence halls.

FIRE SAFETY EDUCATION

Additionally, the following steps are taken in regards to fire safety education:

- Residence hall students are informed of evacuation procedures at the beginning of the academic year at floor meetings.
- Fire drills involving evacuation are held every semester in the residence halls.
- Residence hall advisors and staff members are trained on evacuation procedures and fire extinguisher use.
