

**MAESTRO Teaching Innovation Grant (TiG) Application, AY2016-17**  
 Colorado State University – Pueblo

**Deadline:** Spring Deadline is Wednesday, 1 March 2017.

Last Name:	
First Name:	
Rank /Title (years at CSU-Pueblo):	(___ years)
Status: (Circle) Tenured / Tenure-Track / Other Full-Time / Other Part-Time /	
Amount Requested (not to exceed \$5000; for amts. over \$5000, call CTL)	
Funds will be spent by (date):	

**PURPOSE:** These MAESTRO Innovation Grants can support research, curriculum development, projects, conferences, speakers, software, equipment, supplies, and more – innovations designed to help students achieve college success through academic initiatives in General Education courses and in long-term, critical thinking across disciplines.

**Instructions for Applicant**

1. Attach a grant proposal narrative, of approximately 1-2 pages, to this form. In the narrative...
  - a. include specifics on any research, curriculum development, projects, conferences, speakers, software, equipment, supplies, etc. Resources requested for March 1-September 30, 2017 may be considered.
  - b. explain the importance of the proposed event or activity – related to the PURPOSE detailed above.
  - c. include a detailed budget narrative; include discussions of any other partnerships, interdepartmental collaborations and/or outside funding.
  - d. Funds must be spent by 30 September 2107 (end of the current grant year).
2. Fill out this form.
3. Attach a current vita.
4. Submit hard copies to the CTL, GCB 314, on or before Wednesday, 1 March 2017 by 4pm. For info, call x2290

\*Please be aware that any project funded by the MAESTRO Grant will be obligated to collect and report data on the project's success and impact. We have permanent personnel available in the CTL to support, advise, and consult with you on your experimental design, collection, and interpretation of these data.

For ANY questions about this application project, your potential for funding, or possible project design(s), do not hesitate to contact the CTL. ***Project collaborations with the CTL (that do not fund personal work) may be available year round!***

We are here to support you and your teaching and research innovations!
