PURPOSE: The MAESTRO Innovation Grant Report is to provide the Center for Teaching and Learning with a narrative of what you learned from the experience that the MAESTRO Innovation Grant provided.

Instructions for Report

1. Fill out this form
2. Attach this form to a “grant report narrative,” of approximately 2-3 pages. In the attached narrative, detail or include...
 - a. the specifics -- name and date -- of the project in which you participated
 - b. details on the number of students and faculty members (with names and demographic information, as appropriate) who participated in the project
 - c. prefix and course numbers that participated in (or [will] benefit(ed) from) this project
 - d. your own professional development experience participating in this project
 - e. the ways in which this experience/project/work will impact curriculum development for future courses
3. Attach any evidence of student work relevant or related to the project.
4. A detailed budget and budget narrative that outlines what was requested, what was used (by whom and how), etc.

NOTE: Grant Reports must be completed within 30 days of project’s end, unless other arrangements are made in advance, and approval is provided to grantee in writing. If this Teaching Innovation Grant funded the work of other faculty, be advised that it is the grantee’s responsibility to collect and create the data and relevant information/narrative for this report.
