

Dear (Child's Name)

I'm so happy to see that you're on my list of good girls and boys this year. Rudolph, the other reindeers and I are all excited that we'll be visiting you soon in (City)

I know you're looking forward to getting some great gifts, and don't worry! Santa knows you like (Present) so the elves are working on something very special for you!

But remember that the most special gift you can get at Christmas is a gift that was already given long ago - the gift of our Savior, Jesus Christ. God gave that gift to all his children of the world, and we're so very lucky that we can celebrate the birth of Jesus every year at Christmas time.

We must always remember that this is the true reason for Christmas. Of course, it's fun to receive presents, too! But one of the best ways to celebrate the true meaning of Christmas is to share our love and spend time with those we love during this holiday season.

I'm very proud of the way you've been behaving this year and how you (Personal Accomplishment) That's wonderful! Keep it up!

I think Mrs. Claus needs me to help her in the kitchen now, so I'll say goodbye for now. I'll be seeing you in (City) very soon! Don't forget to say your prayers before you go to bed on Christmas Eve, and be sure to leave out a few snacks for me and the reindeer. We get so hungry flying all over the world!

Merry Christmas!

Love, Santa
