

### CompTIA Certification Exam Reimbursement Form

The CSU-Pueblo and Hasan School of Business Center for Cyber Security Education and Research (CCSER) has been granted funds to reimburse CSU-Pueblo students for registering and successfully completing a range of CompTIA certification exams. Reimbursement will only be granted to students who have successfully completed a CompTIA certification exam with a passing score.

The CCSER will not reimburse CSU-Pueblo students for only registering and completing CompTIA certification exams. Fill out the form below completely. ALL required supporting documentation (CompTIA registration receipts, evidence of a passing CompTIA exam score, evidence of CSU-Pueblo enrollment, W-9 form, and Vendor Size Self-Certification form) must be attached to this form. A maximum of three (3) CompTIA certification exam costs can be reimbursed each academic year.
