

Fall 2020 RI Course section type designations by delivery mode

Courses entered in PAWS are coded to provide clear information to students and advisors on delivery mode, location, and schedule expectations

PAWS has the codes in the last column online:

PAWS course type code	Description of structure	Campus attendance required?	Schedule info included in PAWS
None (default)	<p>Face to Face Class meets regularly on campus with appropriate social distancing. May be technology-enhanced (including up to 24% online component)</p>	Yes	Days/times/room of meeting, unless “arranged” as in music lessons, studio series, research, etc.
H	<p>Hybrid Portions of class meet on campus with appropriate social distancing.</p> <p>This HYBRID course requires physical presence at a campus location plus online components which may be scheduled synchronous sessions and/or independent student work. Refer to course syllabus for specific details.</p>	Flexible	Days/times/room of campus meetings and days/time for any synchronous remote sessions
S	<p>Synchronous online Synchronous components are included in 100% online course</p> <p>This SYNCHRONOUS ONLINE course is fully remote with required, scheduled days/times of active online participation. Refer to course syllabus for specific details.</p>	No, Fully remote (with required online meeting times)	Days/times for synchronous sessions
O	<p>Online Fully Asynchronous, 100% online course</p> <p>This ONLINE course is fully remote with completion of coursework on a student-directed schedule (asynchronous). Refer to course syllabus for specific details.</p> <p>NOTE: lack of <u>any</u> required campus meetings.</p>	No, Fully remote, no set times	No days/times stated: “online” is entered

F	Field experience consists of arranged off-campus learning experience	Not typically	Often “Arranged”
Z	Developmental Math 096, MATH 097, RDG 099 only	May vary	Days/times/room of campus meetings and/or synchronous remote sessions
