## Distance Learning Courses:

Françoise E. Netter and Body/Mind Dynamics, Inc. have provided specialized classes and services for educators for over 14 years. These courses not only offer credits to increase your salary and re-certify your teaching license, but offer subjects that can enhance every aspect of your professional and personal life. Their passion is to motivate others and use education as a resource for creativity, inspiration and transformation. They are changing one classroom at a time. Read what others have to say about their experience:

*"Thanks Françoise for this opportunity to learn from you. Your classes provide such depth, and they are REAL! The material and yourself are authentic which is why I keep coming back. .... You have given me the incredible opportunity to dig deep into my teaching, my soul, and the meaning that I have in my work and my personal development. Thank you for providing a safe and meaningful experience to learn. Thank you for the happiness!" — A . Edrington*

A full list of their courses offered through CSU-Pueblo is available at:
