Accident Report/Investigation Form for Visitor/Student

This form does not cover employee/work-study workman's comp accidents.

Please Contact HR to report those accidents.

Please call the CSU-Pueblo EH&S Office at 549-2747 for assistance.

An accident report has two major objectives:

1. Detailing the accident
2. Indicating preventive actions

Keep report brief and accurate; detailing the cause and nature of the accident. Photographs and eye witness statements should be attached as part of the report, if possible.
