

STEP 1: CHOOSE YOUR SCHOLARSHIP TYPE

Will this be an Endowed Scholarship, Expendable Scholarship or an Annually-Funded Scholarship?

The minimum amount to endow a scholarship at CSU-Pueblo is \$25,000. An endowed scholarship is meant to last for perpetuity, with a portion of the annual income from the endowment to be used for the scholarship's monetary awards. Endowed scholarships may be funded over a five-year period.

Expendable Scholarships are funded with an initial gift of at least \$5,000 and awarded until the account is depleted.

Annually-Funded scholarships are funded on an annual basis. The Foundation is happy to invoice donors for these awards. Scholarships are not awarded until funds are received. The CSU-Pueblo Foundation recommends a minimum annual scholarship amount of \$1,200.

I'd like to establish:

- An Endowed Scholarship
 - In a lump-sum (minimum amount is \$25,000) of \$_____
 - With \$_____ payable over a five-year time frame.

- An Expendable Scholarship
 - Anticipated initial gift amount \$_____

- An Annually-Funded Scholarship
 - Anticipated annual scholarship amount \$_____

The CSU-Pueblo Foundation automatically sends pledge reminders/invoices to all annually-funded scholarship donors in the December/January timeframe, with payment due by January 31st of each year, in order to select a scholarship recipient in the February/March timeframe for the academic year that begins each Fall. The CSU-Pueblo Foundation will not select scholarship recipients unless funds are in-hand.

- Yes, I plan to make this payment in lump-sum when I am invoiced by the Foundation in the December/January timeframe.
- No, please invoice me:
 - Monthly
 - Quarterly in January, April, July and October
 - Semi-Annually in June/July and December/January

STEP 2: CHOOSING YOUR SCHOLARSHIP'S NAME

What will be the name of your scholarship?

Examples:

The David R. Smith Endowed Scholarship

The Widget Corporation Scholarship

The Robert Kennedy Memorial Scholarship

The Taylor Family Scholarship

Insert Scholarship Name Here:

It is helpful for us to understand what inspired you to create a named scholarship at CSU-Pueblo. Please provide us with the impetus of this award. Thank you for your generosity!

Who is the authorized signatory on this scholarship account? (The authorized signatory has the authority to amend the scholarship criteria). If the scholarship is from an internal university committee, we request that a designated position (e.g., Department Chair) must be the authorized signatory if the original representative is not available.
