

December 2018

As we approach the end of 2018, I reflect on the past year and the many accomplishments of our students, faculty and staff. The successes we all share are due in large part to the generosity of so many alumni and friends that continue to support our mission and our #VISION2028 initiative. Their loyalty is the foundation of our University and one of the many reasons students from across Colorado and beyond make CSU-Pueblo their choice to continue their education.

Our ability to preserve what we value about higher education is dependent on our ability to meet the needs of our students, community and region. Your ongoing support of the CSU-Pueblo Annual Fund provides immediate resources for our students, faculty and staff. Thank you for your past generosity which has allowed the CSU-Pueblo Foundation to provide scholarship assistance to deserving students as they pursue their degrees. In addition, your support will help create transformational opportunities for CSU-Pueblo students through internships, fellowships and study abroad programs.

I am writing today to ask you to continue your tradition of giving to Colorado State University-Pueblo and consider your 2018 gift. **Please renew your support by making a year-end, tax-deductible gift by December 31, 2018.**
