

COLORADO STATE UNIVERSITY PUEBLO
DELEGATED CONTRACT SIGNATURE AUTHORITY

I. Constitutional and Statutory Authority of the Board of Governors of the Colorado State University System

A. Colorado Constitution, Article VIII, Section 5(2), grants plenary supervisory power, except as provided by law, to the Board including, by implication, the authority to contract.

B. C.R.S. §23-30-102 Board body corporate - powers relating to real and personal property, provides, in part:

(1) The board of governors of the Colorado state university system is a body corporate, capable in law of suing and being sued; of taking, holding, acquiring, exchanging, selling, and determining the uses of personal property and real estate, or any interest therein, the ownership of which is vested in the board... or the entities governed by it; of contracting and being contracted with; of having and using a corporate seal; having duties and powers to control, manage, and direct the fiscal and all other affairs of the Colorado state university system and the entities it governs; and of causing to be done all things necessary to carry out the provisions of this article.

(2) Has the power to lease personal property ... for a term not to exceed eighty years;

(2.5) Subject to such reviews and approvals of state agencies as are required by law, the power to sell, lease, or exchange real property, or any interest therein, including any mineral rights, the ownership of which is vested in the board...

(3) Has the power to lease any real property or any interest therein owned by it on behalf of any entity governed by it for mineral exploration, development, and production purposes, upon such terms and conditions as may be prescribed and contracted by the board in the exercise of its best judgment as being in the best interests of said entity... [subject to some statutory limitations].

C. C.R.S. §23-30-106- CSU System Fund:

(1) Creates the board of governors of the Colorado state university system fund which is under the control of and administered by the board. The board of governors shall have authority and responsibility for all moneys of the board of governors and any entity governed by it.

(2) States that monies in the fund are to be used by the Board for the payment of salaries and operating expenses of the board and its entities.

D. The passage of Senate Bill 10-003 permitted the Board of Governors to exempt Colorado State University Pueblo from the State fiscal rules promulgated by the Colorado State Controller and review and approvals required to be performed by the Colorado State Controller. On August 11, 2010 the Board by resolution elected to exempt the University and authorized the President to implement institutional rules, including the

delegation of signature authority and review requirements for all contracts. This resolution further authorized the President to delegate the powers inherent in promulgating the new fiscal rules to others within the organization deemed to have appropriate and adequate training and experience in fiscal rules and procedures.

II. Authority Delegated to the Institution President by the Board of Governors by Board Resolution

- A. December 1987 Resolution: The State Board of Agriculture (now the Board of Governors of the Colorado State University System) delegates to the institution presidents the authority to approve and execute all contracts, agreements, grants, warrants and other binding legal instruments which are either expressly approved by resolution of the Board, or usual, necessary and appropriate to the normal operation of the institution and within the budgeted expenditures as approved by the Board. The Board also expressly permitted the institution presidents to authorize other administrators to negotiate and execute such instruments.
- B. February 1998 Resolution: gives the President authority to approve changes of authorized signatures on existing Board bank accounts; prohibits President from establishing new accounts or changing the purpose of accounts. The Board Resolution also prohibits delegation of this authority.
- C. December 2009 Resolution:
 - (1) Authorizes the President to execute amendments to the Student Employee Retirement Plans.
 - (2) Delegates to the President all prior delegations of authority that were previously directly delegated to vice presidents at CSU Pueblo. Authorizes the President to sub-delegate such authority. 2. Vice President for Research and CSU System Chief Research Officer may sub-delegate with approval from CSU Pueblo President.

IV. Controller signature requirements of expenditure contracts

All expenditure contracts require signature by the University Controller or designee, and require legal review and other approvals. Nothing in this memorandum shall be construed to authorize any official to sign a contract obligating the expenditure of CSU Pueblo funds without the approval of the university controller or designee.

V. Legal Review

All contracts that are not university standard contracts require legal review. Any modifications to university standard contracts require legal review.

A "contract" as used herein includes any and all agreements, however titled, that are intended to be legally enforceable and binding on the parties to such agreement. Examples of contracts include, but are not limited to, expenditure contracts, revenue contracts, leases of real or personal property, real property agreements, academic and cooperative agreements, interagency and intergovernmental agreements, licenses, grants, construction contracts, personal services contracts, and intellectual property conveyances. "Contract" does not include a purchase order or procurement card transaction, unless otherwise specified.

The Office of the General Counsel (OGC), or an attorney designated by the OGC for the Institution, shall review and approve all contracts that are required by statute or by the Colorado Attorney General's Office to have a legal review. Such contracts are not valid and shall not be implemented until signed by a duly authorized attorney.
