

Dear CSU Pueblo Colleagues:

The Board of Governors of the Colorado State University System will soon be discussing searching for the next president of CSU Pueblo. As we prepare for these discussions, we are reaching out to seek the opinions of a broad, diverse group of people who are connected with and care about the University and its future. We would like to invite you to complete the survey at the link below to share your thoughts on what qualities the Board should consider in its next president. Your honest, candid feedback in this survey will provide an important foundation for the search process.

**If possible, please complete and submit the survey by July 28.**

You will find the survey
