What Has Changed

- Title IX

¹⁰ No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.⁴

- Background
- Overview of New Regulations
- But, not everything changed. There is room for discretion and policy choices...

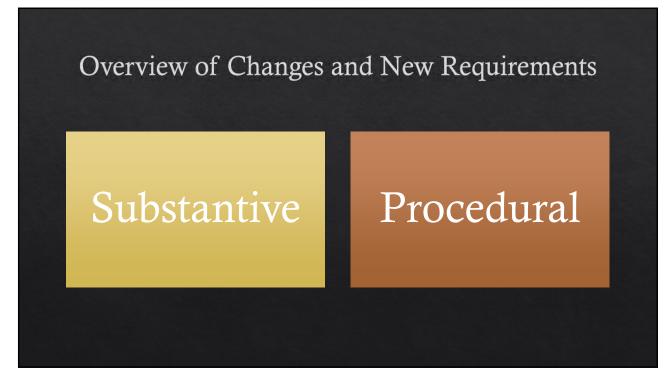

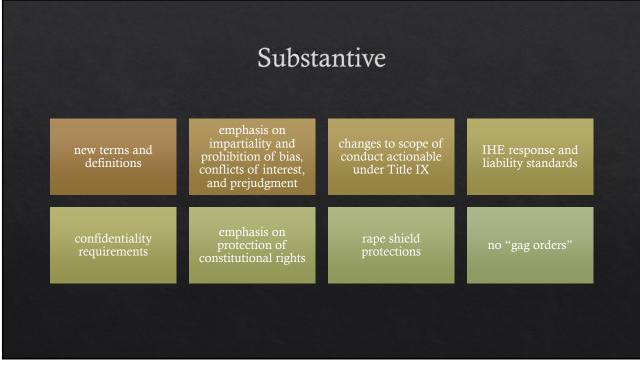

Current Status of Title IX Regulations

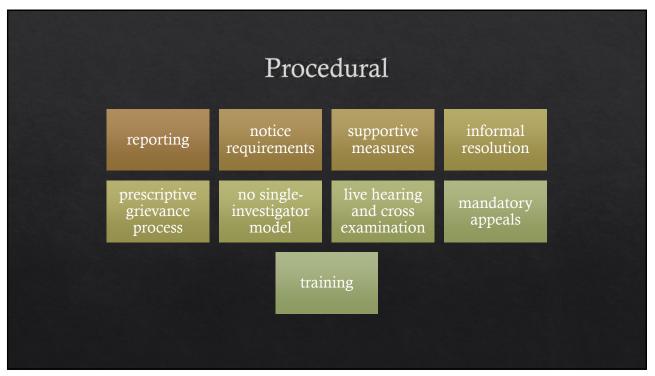

- ♦ May 6, 2020: DOE released new regulations
- * May 19, 2020: new regulations published in federal register
- ♦ August 14, 2020: regulations take effect
- * Victim Rights Law Center et al. v Cardona (2021)
- ♦ February 2022: Notice of proposed rulemaking under review by OMB

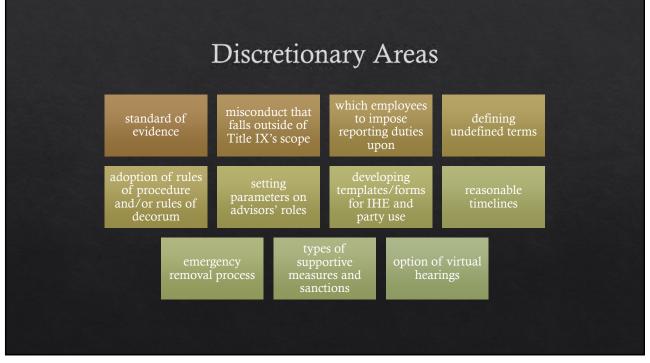

Policy Guidance vs. Rules

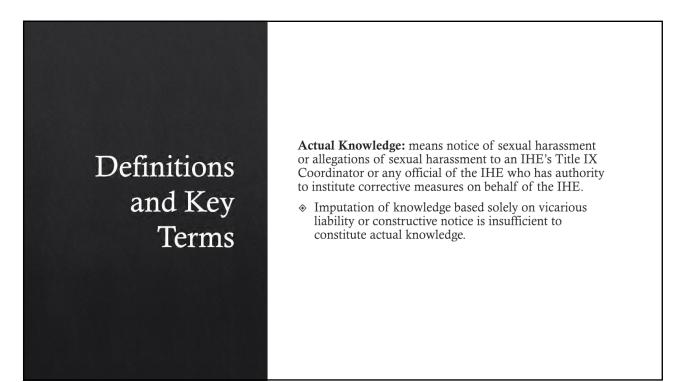

- Most recent federal guidance on Title IX—Dear Colleague Letters and Q&A Documents from 2011, 2014, and 2017—was policy guidance.
- New regulations (also known as rules) were promulgated through the Administrative Procedure Act's rulemaking process and have the force and effect of law.
- ♦ New rules are 26 pages long.
- ♦ Preamble is more than 2,000 pages long.
- ♦ 2021 Q&A Guidance

Consent. IHEs are not required adopt a particular definition of consent with respect to sexual assault. But:

- * IHEs cannot shift the burden to a respondent to prove consent, or shift the burden to a complainant to prove the absence of consent.
- ♦ IHEs must clearly define consent and must apply that definition consistently.
- Title IX Personnel must be trained on how to apply definitions used by the IHE with respect to consent (or the absence or negation of consent) consistently, impartially, and in accordance with the other provisions of § 106.45.

13

Definitions and Key Terms **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the IHE investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant **must be participating in or attempting to participate in the education program or activity of the IHE** with which the formal complaint is filed.

Examples given of individuals, other than current students or employees, who may be "participating in or attempting to participate" in the education program or activity:

- Alumni
- ♦ Complainant on a leave of absence
- ♦ Desire to re-enroll
- ♦ Admitted students
- ♦ Applicants

2021 Q&A #23

Definitions

and Key

Terms

Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

- An employee of the IHE conditioning the provision of an aid, benefit, or service of the IHE on an individual's participation in unwelcome sexual conduct (*i.e.* quid pro quo);
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the IHE's education program or activity;
 - ✤ Does not need to deny access to the *entire* program. Illustrations at 2021 Q&A 8.
- ✤ "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v);
- ✤ "Dating violence" as defined in 34 U.S.C. 12291(a)(10);
- "Domestic violence" as defined in 34 U.S.C. 12291(a)(8);
- "Stalking" as defined in 34 U.S.C. 12291(a)(30).

Sexual harassment continued...

Unwelcome conduct:

- * Must be severe, pervasive, and objectively offensive
- \clubsuit Based on a reasonable person standard
- No concrete injury required to conclude a reasonable person was denied the ability to access the IHE's education program or activity

Sexual harassment continued...

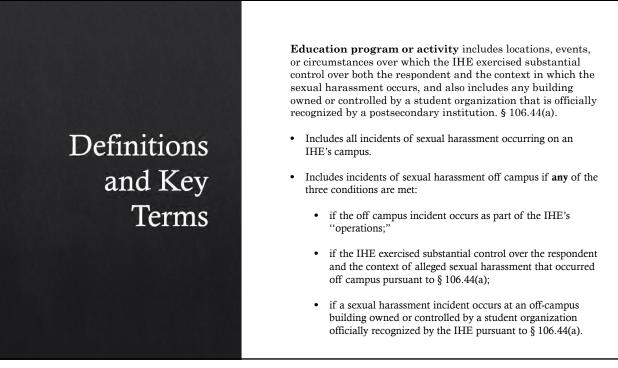

"Sexual assault" means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation. "Sexual assault" includes rape, fondling, statutory rape, and incest.

- The Federal Bureau of Investigation (FBI) currently has two crime reporting systems: the SRS and the NIBRS.
- The Clery Act directs IHEs to look to the SRS for a definition of rape, and to the NIBRS for a definition of fondling, statutory rape, and incest as the offenses falling under "sexual assault."
- The FBI retired the SRS on January 1, 2021, and moved entirely to the NIBRS.

2021 Q&A #5

NIBRS "defines forcible sex offenses to include any sexual act, including rape, sodomy, sexual assault with an object, or fondling directed against another person, without the consent of the victim including instances where the victim is incapable of giving consent."

What constitutes an IHE's operations?

"Operations" may certainly include computer and internet networks, digital platforms, and computer hardware or software owned or operated by, or used in the operations of, the IHE.

Definitions and Key Terms

Education Program or Activity Continued...

What constitutes "substantial control over the respondent and the context of the alleged sexual harassment":

- Factors such as whether the IHE funded, promoted, or sponsored the event or circumstance where the alleged harassment occurred.
 . may be helpful or useful for IHEs to consider... to determine the scope of an IHE's program or activity, [but] no single factor is determinative.
- A teacher's sexual harassment of a student is likely to constitute sexual harassment "in the program" of the school even if the harassment occurs off campus.
- As another example, a student using a personal device to perpetrate online sexual harassment during class time may constitute a circumstance over which the IHE exercises substantial control.

Education Program or Activity Continued...

Officially recognized student organizations:

- Where sexual harassment occurs in an off campus location not owned or controlled by an officially recognized student organization yet involving members of the organization, the IHE's Title IX obligations will depend on whether the IHE exercised substantial control over the respondent and the context of the harassment, or whether the circumstances may otherwise be determined to have been part of the "operations of" the IHE.
- As part of the process for official recognition, an IHE may require a student organization that owns or controls a building to agree to abide by the IHE's Title IX policy an procedures under the regulations.

Definitions and Key Terms

Education Program or Activity Continued...

Considerations when alleged sexual harassment occurs both in and outside of the education program and activity:

- Under Section 106.45(b)(3)(i), an IHE must dismiss the allegations in a formal complaint about conduct not occurring in the IHE's education program or activity for the purpose of Title IX.
- However, such dismissal does not preclude action under another provision of the IHE's code of conduct.
- The IHE has the option of resolving allegations of conduct outside the IHE's education program or activity by applying the same grievance process required under § 106.45 for formal complaints of Title IX sexual harassment, even though such a process is not required under Title IX or the regulations.

Notifications

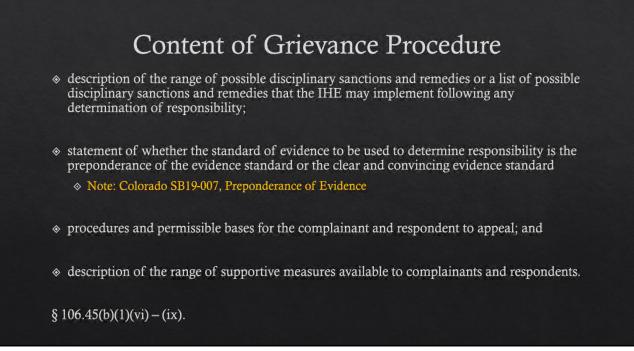

Dissemination of Policy

- IHE must notify persons entitled to notification under these rules that the IHE does not discriminate on the basis of sex in the education program or activity that it operates, and that it is required by Title IX not to discriminate in such a manner. § 106.8(b)(1)
- Such notification must state that the requirement not to discriminate in the education program or activity extends to admission and employment, and that inquiries about Title IX's application may be referred to the IHE's Title IX Coordinator, the Assistant Secretary of Education, or both. § 106.8(b)(1)
- ♦ Colorado law also has notice and posting requirements. See § 23-5-146, C.R.S.
 - ♦ Institution's website; CDHE website

Grievance Procedure

- ♦ IHE must adopt and publish grievance procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX and a grievance process that complies with Title IX's requirements for formal complaints as defined in the regulations. § 106.8(c)
- IHE must provide notice of its grievance procedures and grievance process, including how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how the recipient will respond. § 106.8(c)

Training Materials

IHE must make its Title IX training materials publicly available on its website, or if the IHE does not maintain a website, it must make the materials available upon request for inspection by members of the public. § 106.45(b)(10)

Publications Generally

IHE must not use or distribute a publication stating that the IHE treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by Title IX. § 106.8(b)(2)(ii)

response obligations

dismissals

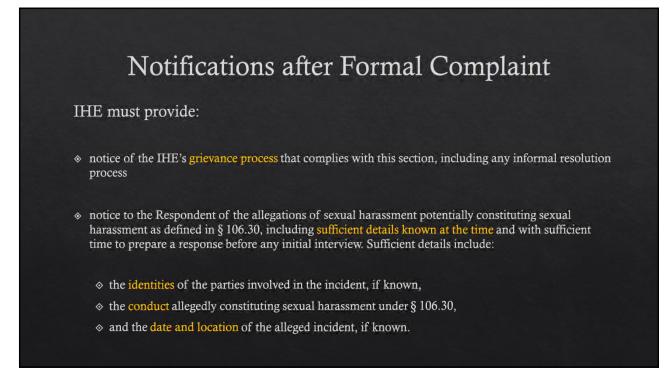

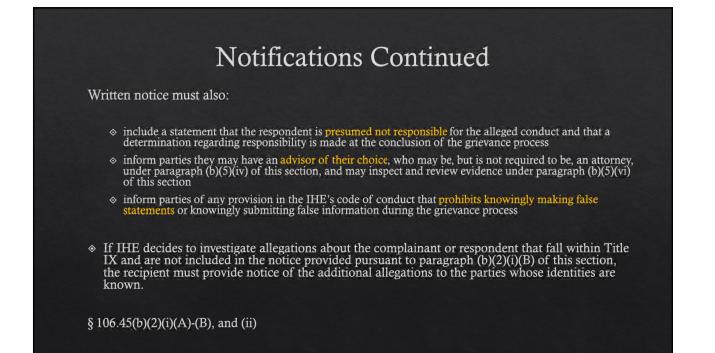

Reports Covered by Title IX *but without* a Formal Complaint

When a complainant has not made a formal complaint, yet the alleged conduct falls under Title IX, the Title IX Coordinator must either:

- ♦ close the report if, for example the complainant does not want an investigation; or
- * sign a formal complaint and initiate the Title IX grievance process.
 - ♦ Some circumstances may require Title IX Coordinator to initiate an investigation and adjudication of allegations in order to protect the IHE's educational community or otherwise avoid being deliberately indifferent to known sexual harassment. p. 30132

Mandatory Dismissal

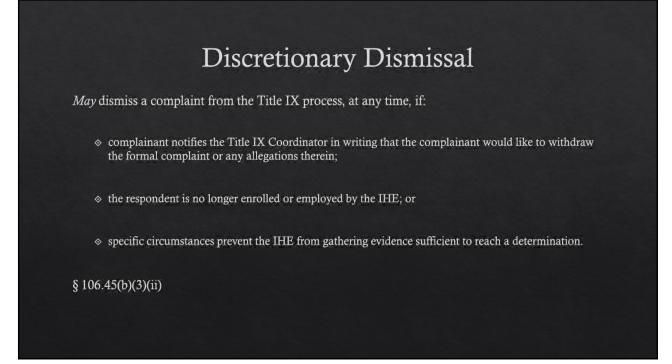

Must dismiss a complaint from Title IX process if the alleged conduct:

♦ would not constitute sexual harassment as defined in the regulations;

♦ did not occur in the IHE's education program or activity; OR

♦ did not occur against a person in the United States.

§ 106.45(b)(3)(i)

Dismissal Requirements

Upon dismissal from Title IX process, IHE must:

 \diamond promptly send written notice of dismissal and the reason to both parties, and

♦ offer an appeal based on procedural irregularity, new evidence, or conflict of interest/bias.

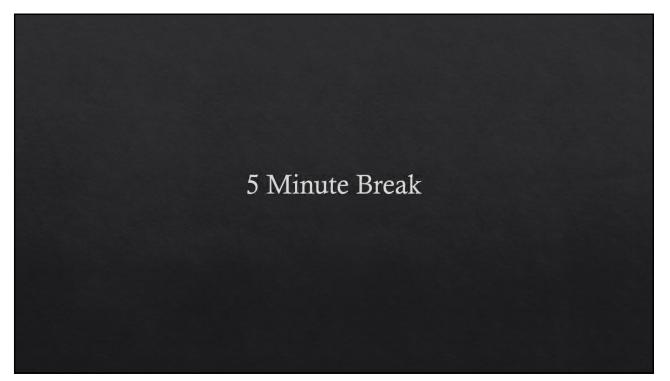

§106.45(b)(3)(iii)

Non-Title IX Misconduct

 Dismissal from Title IX proceeding does not preclude action under another provision of the IHE's code of conduct. § 106.45(b)(3)(i); 2021 Q&A #7

♦ Word of Caution:

- ♦ carefully categorize reports and complaints
- ♦ potential Title IX violation for mis-categorizing complaints and using "wrong" grievance procedure, 30221 & 30283

Supportive Measures

Supportive

Measures

Nondisciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed.

Designed to restore or preserve equal access to the IHE's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the IHE's educational environment, or deter sexual harassment.

45

counseling

extensions of deadlines or other course-related adjustments

modifications of work or class schedules

campus escort services

mutual restrictions on contact between the parties

changes in work or housing locations

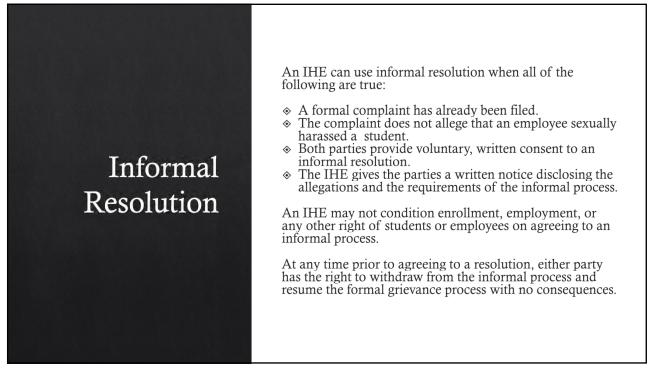

leaves of absence

increased security and monitoring of certain areas of the campus

other similar measures

Supportive Measures

- ♦ Consider the complainant's wishes.
- Oo not have to be "proportional to the harm alleged" or constitute the "least burdensome measures" possible.
- Cannot impose an unreasonable burden on the other party.
- ♦ Cannot amount to a sanction.
- ♦ Must be kept confidential.
- ♦ Must be documented when they are, or are not, provided.

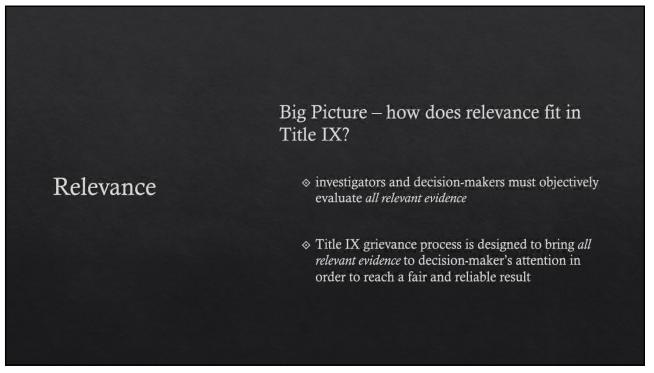

Informal Resolution

Method: Informal resolutions can include: mediation, arbitration, restorative justice, or other strategies.

Who facilitates: Facilitators can be third party providers, and do not have to sign MOUs with the IHE. All facilitators are subject to the same training and impartiality requirements as are an IHE's Title IX coordinators, investigators, and other decision-makers.

Sanctions: An IHE can impose any disciplinary consequence after an informal process that they could also impose in a formal process, including expulsion. However, the respondent may withdraw from the informal process at any point, and can thus choose to begin or resume a formal process instead of agreeing to a particular sanction.

Serving as witnesses: Under the regulations, facilitators can serve as witnesses in subsequent grievance procedure as long as this possibility is disclosed to the parties in the written notice prior to the informal process beginning. However, IHEs may also want to consider Colorado state law concerning confidentiality of mediation communications.

Relevance Definitions

Merriam Webster Definition

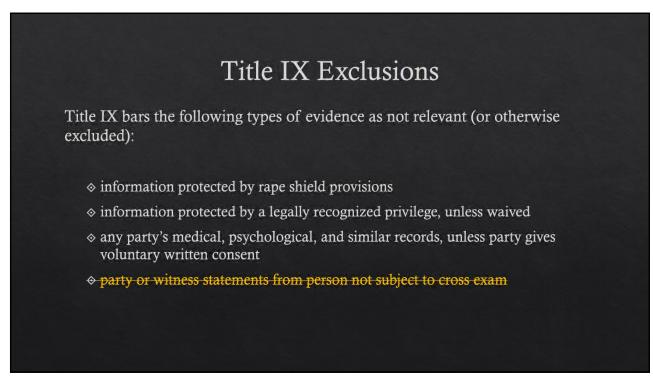

♦ affording evidence tending to prove or disprove the matter at issue or under discussion

Legal Definition in Federal Rules of Evidence

* "Relevant evidence" means evidence having any tendency to make the existence of any fact that is of consequence to the determination of the action more probable or less probable than it would be without the evidence. Federal Rule of Evidence Rule 401

Preamble Explanation

 "evidence pertinent to proving whether facts material to the allegations under investigation are more or less likely to be true." (p. 30294).

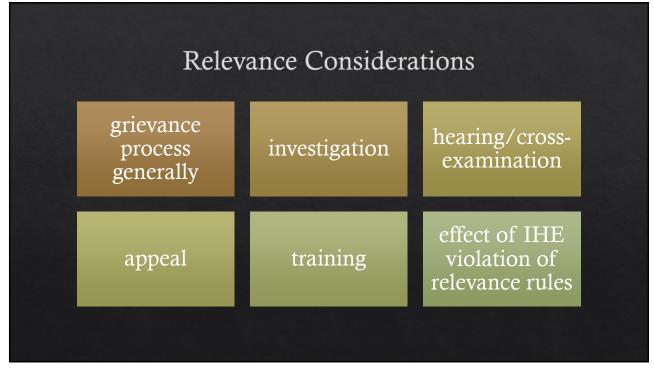

Rape Shield Provisions (1) All questions and evidence of a complainant's sexual predisposition are irrelevant, with no exceptions; and

(2) Questions and evidence about a complainant's prior sexual behavior are irrelevant, unless:

- questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged; or
- ♦ questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent

Relevance Considerations

Directly Related vs. Relevance

♦ Directly Related

♦ Evidence that relates to the allegations under investigation.

♦ Relevance

& Evidence related to an allegation, that makes a fact at issue more or less likely.

59

Uses for Investigative Reports

♦ Grievance Hearing.

- ♦ Can be presented by the IHE, Complainants, or Respondents.
- & Appeal, Discrimination Lawsuits, Federal Civil Rights Claim, or other Litigation.
- ♦ Presented as part of an IHE's defense to those lawsuits.
- ♦ Personnel Action.

Who should conduct the investigation?

The investigator should be:

- Objective and impartial.
- Familiar with the Title IX regulations and the IHE's rules, policies, and procedures.
- Trained in conducting the type of investigation required by the grievance process.
- Able to maintain confidentiality, as appropriate.
- Detailed and organized.

Planning the Investigation

- Equal opportunity for the parties to present witnesses, and evidence. § 106.45(b)(5)(ii).
- ♦ Scope
 - Confined only to original issue; or
 - Expand to include additional allegations
 - Must provide notice to all known parties if additional allegations added. §106.45(b)(2)(B)(ii).
 - IHE may consolidate formal complaints where the allegations of sexual harassment arise out of the same facts or circumstances. §106.45(b)(4).
- * Collect available background information before conducting interviews.
- ♦ Obtain necessary, written, consent for certain information. § 106.45(b)(5)(i).
 - Records maintained by a physician, psychiatrist, psychologist, or other recognized professional in connection with the provision of treatment to the party.

Conducting the Investigation

Deciding whom to interview.

Representation at the interviews.

• Parties have the right to be accompanied by an advisor of their choice, but the IHE can place restrictions on the extent to which the advisor can participate, so long as restriction applied equally to both parties. § 106.45(b)(3)(iv).

Conducting the interviews.

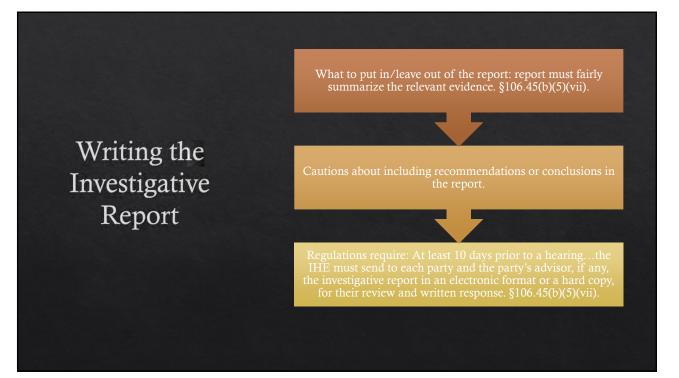

• Must provide parties with written notice of investigative interviews with sufficient time for the party to prepare and participate. §106.45(b)(5)(v).

Conducting an Interview

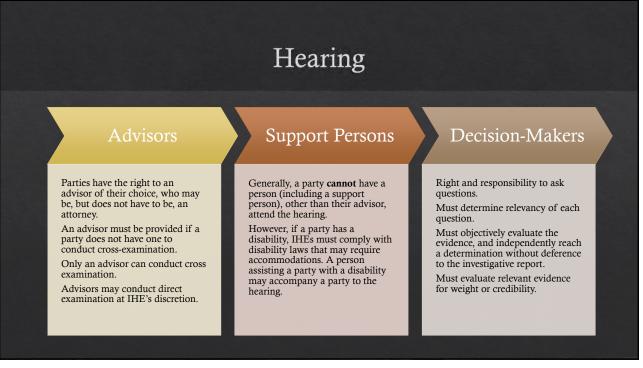

- Types of questions to ask
- Demeanor toward interviewees
- Alternatives for preserving a record of the interview
- Cautions about promising confidentiality
- Cautions about promising certain results
- Avoiding assumptions
- Presuming a conclusion
- Failing to show your work
- Avoiding personal bias

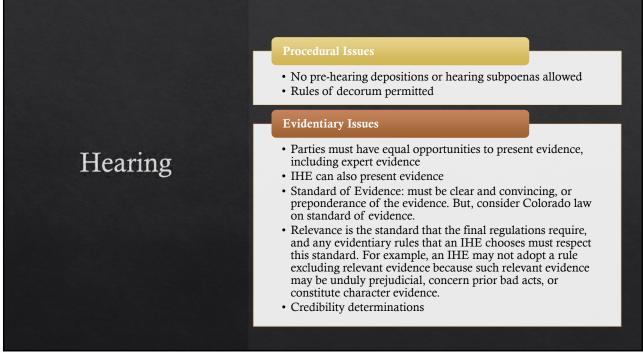

Concluding the Investigation

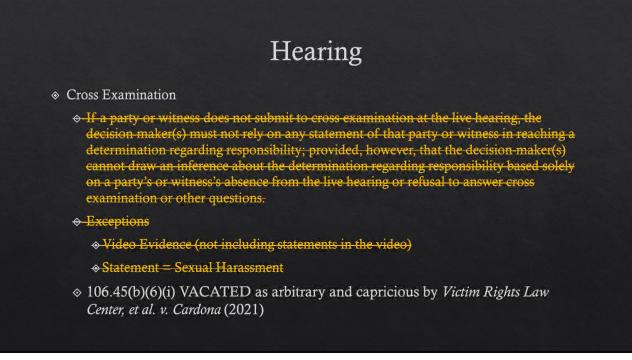

- IHE must provide <u>directly related</u> evidence to the parties <u>prior</u> to completion of investigative report:
 - Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation. § 106.45(b)(5)(vi).
 - ♦ Prior to completion of the investigative report, the IHE must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least 10 days to submit a written response, which the investigator will consider prior to completion of the investigative report. *Id.*
 - ♦ The IHE must make all such evidence subject to the parties' inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination. *Id.*

Hearing

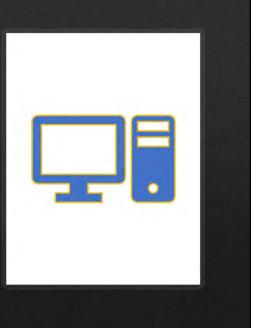

Written Determination of Responsibility

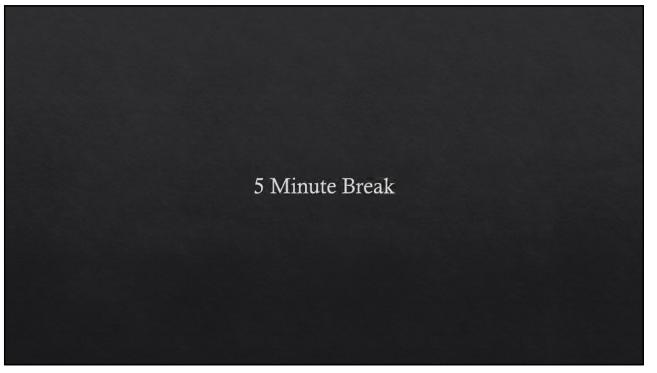

- ♦ Identification of the allegations potentially constituting sexual harassment as defined in § 106.30.
- ♦ A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held.
- ♦ Findings of fact supporting the determination;
- ♦ Conclusions regarding the application of the IHE's code of conduct to the facts;
- ♦ A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the IHE imposes on the respondent, and whether remedies designed to restore or preserve equal access to the IHE's education program or activity will be provided by the IHE to the complainant; and
- ♦ The IHE's procedures and permissible bases for the complainant and respondent to appeal.

71

Technology for Virtual Hearings

- Know how to share content/screen to show exhibits.
- ♦ Know how to control the mute settings.
- Know how to record the hearing if needed, as the regulations require the hearing to be recorded or transcribed.
- If platform allows, know how to put participants in lobby or waiting area.
- Consider having an advance test of the technology with participants before the actual live hearing.
- Consider having parties submit and/or exchange potential exhibits in advance of the hearing.
- Encourage participants to participate in a location that has strong internet connection, is private and quiet, and has adequate lighting.
- Encourage participants to silence computer and telephone notifications during the hearing.

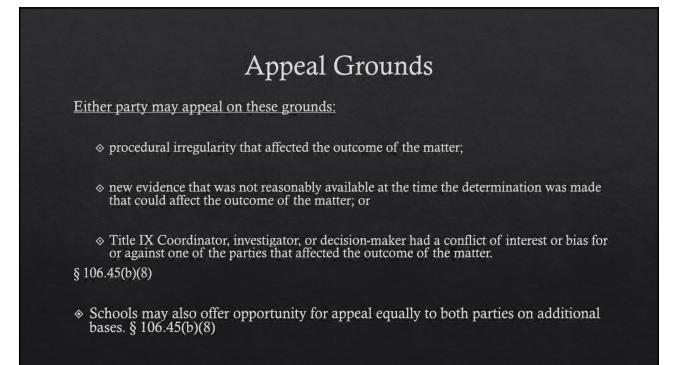

Appeals

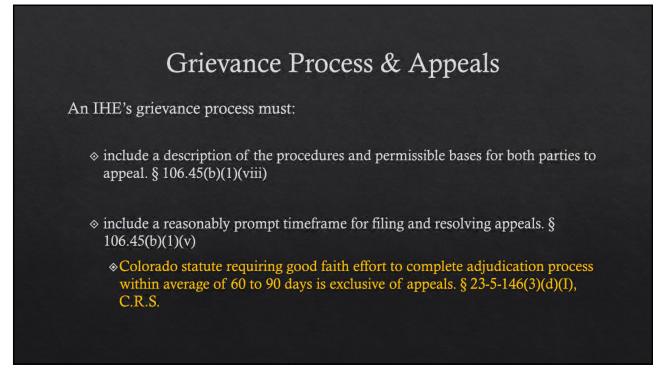

Mandatory Opportunity for Appeals

- \diamond IHEs must allow both parties to appeal:
- a determination regarding responsibility
- \diamond a dismissal of a formal complaint

§106.45(b)(8)

Regulations suggest that informal resolution agreements should be treated as binding contracts and are not appealable. § 106.45(b)(9) & p. 30405

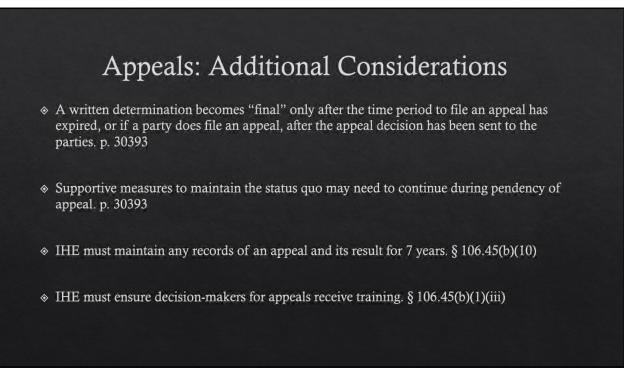

Appeal Procedural Requirements

For all appeals, IHE must:

- notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
- ♦ ensure that the decision-maker for the appeal is not the same person as the decision-maker that reached the determination regarding responsibility or dismissal, the investigator, or the Title IX Coordinator;
- ensure that the decision-maker for the appeal complies with the standards set forth in paragraph (b)(1)(iii) of section 106.45, i.e., the training requirements and prohibitions against conflicts of interest and bias;
- ♦ give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
- * issue a written decision describing the result of the appeal and the rationale for the result; and
- ♦ provide the written decision simultaneously to both parties.
- §106.45(b)(8)

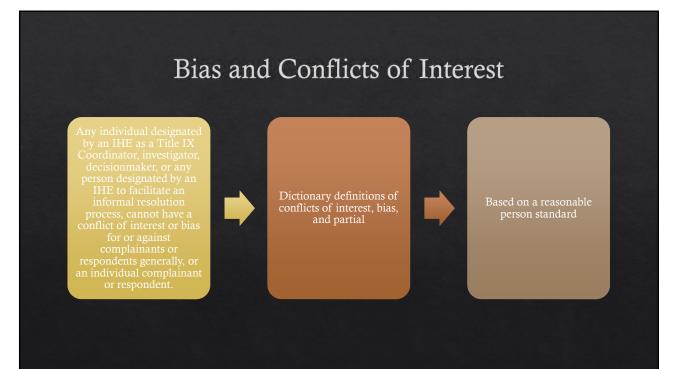

Sanctions and Remedies

Sanction

- IHEs not required to implement certain sanctions, and sanctions do not have to be proportional to the conduct
- IHE can consider mitigating circumstances in imposing sanctions
- Sanctions cannot be effective until after appeal, if an appeal is initiated by either party

Remedies

- Where a determination of responsibility has been made against respondent, IHE must provide remedies to complainant
- Remedies must be designed to restore or preserve equal access to the IHE's education program or activity.
- Remedies may overlap with sanctions
- IHEs are prohibited from disclosing remedies to the respondent when the remedies do not directly affect the respondent

Bias and Conflicts of Interest

Avoiding Bias and Conflicts of Interest

- Treat complainants and respondents equitably
- Avoid using sex stereotypes in training materials, policies, or procedures
- Treat each person as an individual, not as a member of a class
- Objectively examine relevant evidence before reaching a determination
- Give both parties equal opportunity to present witnesses and evidence
- Continue to evaluate bias and conflicts of interest throughout the process

Examples of Allegations of Bias from Prior Cases Nationwide

- IHE's training materials were one-sided;
- IHE failed to conduct adequate investigation and objectively pursue the evidence;
- IHE failed to reveal information learned during the investigation to both parties;
- IHE investigator advocated for certain discipline;
- IHE personnel made statements demonstrating favor towards complainants or respondents;
- IHE failed to follow its own policies;
- IHE failed to follow established procedures for Title IX investigations and hearings
- Decision-maker was influenced by other school officials in reaching a decision;
- Decision-maker had professional connections with one of the party's parents.
