

# COLORADO STATE UNIVERSITY PUEBLO

## *Festival of Winds*

### Audition Requirements

Participants are asked to submit recordings in order for us to accurately place the students in the appropriate ensemble. Recordings can be video or just audio. The recording does not need to be one take, it may be split up into components outlined below. **Please clearly announce your name and school at the beginning of each recording you send.** Please trim dead space from recordings, this aids our adjudication process immensely!

**Audition submissions are due Wed, Dec 3rd**

Recorded auditions **must** include both etudes and scales.

#### Etude Suggestions

- 1) Experienced: All-State Etudes
- 2) Intermediate: First 8 bars of the All-State etudes
- 3) Developing: Please choose **a OR b**
  - a) Suggested etudes (can be found in suggested etudes folder on Festival of Winds page)
  - b) Solo/etudes of choice. (Pdfs of music must be submitted with audition)

#### Scales

##### Woodwinds/Brass

- **two-octave chromatic scale**
  - starting on a note of your choice
  - In quarter notes no slower than 120 bpm, ascending and descending.
- **two different two-octave major scales of your choice**
  - In quarter notes no slower than 180 bpm, ascending and descending

## Percussion

- **two different two-octave major scales of your choice**
  - In quarter notes no slower than 180 bpm, ascending and descending

The scale tempos should be taken as suggestions, it is better to be a little slower and accurate with great tone and control than 'at tempo' but with errors.
