

CSUP Music Department is delighted to present "Not Another Musical," an eclectic cabaret with pieces from across the Broadway stage, past and present. From the hilarious to the sweet and romantic, this evening of musical theatre gems will capture the hearts of audiences of all ages.

With over 30 students involved, this group of dedicated, hard-working, and creative students have put in countless hours learning music, choreography, arranging charts, and rehearsing. Many of our students do not have previous musical theatre experience, so we welcome them to the stage and hope this experience proves valuable regardless of their future plans.

We are thrilled to be able to perform at the wonderful Sangre de Cristo Arts Center. We appreciate their staff contributing to this collaboration. We are also proud to partner once again with the Media & Entertainment Department of CSUP who are providing technical support for this performance. This production is under the leadership of Dr. Jennifer Bruton, Director of Choral Activities with technical supervision by Clifton Hyde, choreography by Bradley Zarr, and accompaniment by CSUP faculty and students.
