IACUC Research Project Termination/Completion Form
Part A: Principal Investigator

Objectives: This form is to be completed upon termination/completion of a research project overseen by the IACUC committee. It is the official notification to IACUC that the approved research project has been completed. It is also requested that the PI also provide a brief summary of the project outcome.

Instructions to the PI: Complete the questions below and submit this Project Completion Form to the IACUC Chair for review by the committee. The Project Completion Forms will be filed in the Office of Research and Sponsored Programs, which is the official repository for IACUC files.
