Consolidation
The University reserves the right to move students from one unit to another for the best utilization of the facilities at the discretion of the Office of Residence Life and Housing. The Office of Residence Life and Housing may consolidate single occupants residing in multiple capacity rooms. If the occupant is reassigned and does not move to a double room as requested, the occupant will be documented for failure to comply.

Occupants residing in a room/apartment modified for various disabilities may be required to change rooms in the event another resident is in need of such accommodations.

We understand that consolidation is not ideal. We try to work with each individual student to facilitate the process. We ask that you communicate your needs and be patient with the process.

Guests
1. Any guest under the age of 18 who is not a CSU-Pueblo student, must have advance approval by RLC. Any guest under the age of 15 must have permission of parent/guardian to be in the halls. The RLC or designated staff will need to speak directly to the parent/guardian. Guests under the age of 15 must complete an Emergency Contact Form.
2. All guests must register at the front desk by presenting their CSU- Pueblo ID or picture ID.
3. Each student in the Residence Halls may check-in a maximum of 3 guests/visitors. There can be a maximum of 12 guests/visitors in a University Village at Walking Stick apartment at a time.
4. Guests must be accompanied by the resident that has signed the guest in and who lives in that Residence Hall.
5. Guests must use the restrooms located in the lobbies and cannot shower in opposite gender rooms.
6. Residents are responsible for their guests at all times. Guests are expected to follow all established roommate agreements, Residence Life and Housing policies and procedures, the Code of Student Conduct and state and federal laws. Please refer to the Residence Life and Housing policies and procedures.
7. Guests are not allowed overnight during break periods and summer sessions.
8. Residence Life & Housing reserves the right to refuse or remove a guest for any reason. Professional staff may terminate guest privileges.

*Overnight guests*
In addition to all of the expectations listed above, overnight guests are to adhere to the following expectations:

9. Overnight guests must sign-in and mark that they are staying overnight. All suitemates and roommates must be notified in a timely manner about any potential guests.
10. Guests are only allowed in the room as agreed upon in each roommate agreement. These agreements may change throughout the year.
11. Guests are allowed to stay for a maximum of three nights in a seven day period and no more than 10 nights total per semester with any resident.
12. Overnight guests under the age of 18 must be approved by the RLC. These guests must fill out a temporary emergency red card, to be held at the front desk for the duration of their stay. Any guest under 15 years of age must have parental/guardian permission to stay overnight.

*Reassignments*
Residence Life & Housing reserves the right to make alternative assignment decisions or reassign students as the University determines appropriate. These reasons include, without limitation: for temporary accommodation when permanent space is not available, construction, renovation, and/or maintenance activities, roommate conflicts, health, safety, and/or security concerns pending disciplinary action, and noncompliance with University regulations. Accommodations are assigned at maximum design capacity. Unoccupied rooms and/or spaces are reserved for use by Residence Life & Housing. If a vacancy occurs in an assigned room, the remaining resident(s) of the room agree(s) to accept other roommate(s) as assigned by Residence Life & Housing. Room reassignment, utility or facility disruptions, or class conflicts with meal serving periods, shall not result in the reimbursement or reduction of room and meal plan rates.

*Renter’s Insurance*
It is highly recommended that students living in the Residence Halls and University Village at Walking Stick purchase renter’s insurance to protect their property. Most insurance
companies offer renter’s insurance at a reasonable rate. Please contact your insurance agent for more information.

**Room Changes**

Room changes can be made after the second week of each semester between the designated dates. Requests for room changes must be initiated as the resident and not by a parent/guardian or other third party. There is a $25.00 room change fee that is placed on the student’s account. Room change requests are submitted online via the Residence Life & Housing form page: [https://www.csupueblo.edu/residence-life-and-housing/forms.html](https://www.csupueblo.edu/residence-life-and-housing/forms.html).

Please be aware that the submission of the room change request does not automatically grant you permission to move rooms. You will receive official notification of the room change decision via your CSU-Pueblo student email. Residents moving into a more expensive room type will be billed the pro-rated difference to their university account. Residents moving into a less expensive room type will be credited the pro-rated difference to their university account.

Residents may not:

- Move into completely empty spaces (ie. Open double or triple)
- Move into a room that is completely occupied (ie. Turn a double into a triple, or a triple into a quad)
- Request someone else move out so they can move in

Students who move rooms without authorization from the Office of Residence Life & Housing will be fined $75.00 to their university account, face disciplinary action, and may be moved back to their original room. Residence Life & Housing keeps track of room assignments for two essential reasons:

1. To help identify the location of residents for safety and security purposes
2. To track the availability of space for all students applying for housing.

**Room Condition Report (RCR)**

Upon check-in, each resident is responsible for documenting any pre-existing damage or wear and tear to the assigned spaces and furniture within. When the resident arrives for check-in, the resident receives the RCR and has time to view the space and complete the RCR before moving their belongings into the space. The completed RCR must be returned to the front desk during check-in of student’s new living space so that the student can get their ID encoded or receive their keys if a University Village Walking Stick resident. Failure to return the RCR within the first week of moving into a residential space may result in additional charges to the student’s account and waives student’s rights to appeal any damages found during the end of year damage assessments of residence halls. For moves during the year, the RCR must be completed and returned the day of the move for the old and new room.

**Roommate Agreement**

Sharing a room is an exciting part of the campus living experience. During the first half of the fall semester, roommates will complete a roommate agreement with their Resident Assistant. The roommate agreement ensures that there are rules in place that all parties
agree upon. The Roommate Agreement will be revisited and revised as needed. When room changes occur, new roommates will complete a new agreement.

**Roommate Mediation**  
Mediation is a process where students partake in conflict resolution with an RA. The sharing of living space with another person is part of the learning experience of residential living. All roommates are expected to invest in the relationship communication, compromising and mutual respect are keys to successfully living together.

Students should discuss issues directly with their suitemates, roommates, or neighbors. If a resolution cannot be reached by all parties, a student can ask for assistance from their RA or Residence Life Coordinator.

If a student living in the Residence Halls or University Village at Walking Stick feels unsafe, has been threatened, or has experienced physical violence at any point during the process, they must contact Residence Life and Housing.

As a last resort, a room change can be considered after two mediations, one completed with a RA and the other completed with the RLC. The RLC will make the determination if one or all of the individuals will need to move, if a resolution cannot be agreed upon.

Keys
Crestone, Culebra, and Greenhorn Residence Halls are accessible by key card. The resident’s ID serves as the card for the main doors, hallway doors, and the student’s room door. Each new ID must be activated at the front desk through the encoding system. A student can only swipe into the building they live in.

In the University Village at Walking Stick apartments, each student receives two keys: a key to their front door and a key to their room.

If a student is locked out of their room, they must notify the RA or DA on duty in order to be let back into their room. Once the student is let back into their room, they must show their key to the RA/DA. If a student is locked out of their room more than once, they will be fined $20.00 for each time after the first lock-out.

If a student loses their key, they must notify the Office of Residence Life immediately. If it is after business hours, they must notify the Resident Assistant on-duty, in order to gain access to their room. The student will have to get a new ID card from Auxiliary Services to be encoded. Please note that Auxiliary Services only accepts cash for replacement cards and you must have a legal form of identification. Walking Stick residents who lose their keys will be charged for a key core replacement.

Generally, a single inappropriate joke or offensive epithet does not create a “hostile environment;” however, being subjected to such conduct repeatedly may constitute a “hostile environment.” In determining whether the alleged conduct warrants corrective action, all relevant circumstances, including the context in which the conduct occurred, will be considered. The existence of a “hostile environment” will be determined on the basis of what is reasonable to persons of ordinary sensitivity and not on the particular sensitivity or reaction of an individual.”

Behaviors and actions exhibited via electronic media, including e-mail, text messaging, or social networking websites (e.g. Facebook, Instagram, Twitter, etc.) may be in violation of CSU-Pueblo’s Policy on Discrimination, Protected Class Harassment, Sexual Misconduct, Intimate Partner Violence, Stalking, & Retaliation.

Room Decoration
A. We want each student to take ownership of their room while maintaining a safe and welcoming learning environment. We have created these guidelines with this in mind, while also ensuring the long term sustainability and affordability of the living spaces.

Please do not:
- Write or paint on any surface of your room, your furniture, or the hallways.
- Utilize any strong adhesives that are difficult to remove including but not limited to duct tape, packing tape or epoxy.
- Use tacks, nails, or staples that will leave holes in the walls.
- Display anything in your window that is visible from outside the building.

Feel free to:
- Utilize light adhesives, such as painter’s tape, poster putty, or 3M strips. Be sure to follow the instructions for a slow removal of the 3M strip as residents may be charged for any paint removed.
- Bring your own rugs
- Hang posters and decorations
- Hang colored LED lights utilizing appropriate adhesives. However, do not run more than two cords consecutively as it may pose a fire hazard. The third cord must be plugged into a surge protector or directly into the electrical outlet.

B. Decorations must only be posters or other light items that can be hung on the wall by 3M strips, poster putty, or painters tape. Please be aware that any damage upon removal of decorations is the resident’s responsibility. Only 25% of a wall, door, or room should be covered with decorations in order to ensure fire safety. The use of semi-permanent/permanent contact paper on any University property is prohibited.

C. Items are not to be hung on the ceiling or any other physical structures on or near the ceiling, such as ventilation pipes, and sprinkler heads, smoke detector, or vents.

D. We recognize that during holidays residents like to take the time to decorate the hallways. Residence Life and Housing encourages the expansion of student ownership through the appropriate decoration of their floor or hallway. All of the room decoration rules apply to hallway decoration. Items such as rugs, pumpkins, and lawn ornaments are not permitted in the hallways because they are safety and fire hazards. In addition, residents are responsible for cleaning up the decorations within a reasonable time. Residence Life and Housing reserves the right to request the removal of any hallway decorations.

Bomb Threats
In the event of a bomb threat, all University Housing will be evacuated to protect the health and safety of everyone in the Residence Hall and University Village at Walking Sticks. When a bomb threat is received, residents should assume that there is an emergency and follow these steps:

1. Remain calm.
2. Close your room door and lock it.
3. Evacuate the building using the nearest safety exit stairway.
4. People who cannot traverse stairs should exit through the main entrance if they are on the main floor. If residents are on a higher floor, they should go to the nearest stairwell and wait safely inside for emergency personnel or Residence Life staff.
5. After leaving the hall, everyone should proceed to the designated assembly point away from the building. Do not leave the assigned area unless an official tells you to.
6. Return to the hall ONLY after an official (Fire Department, Sheriff’s Department, Residence Life staff member) tells you to.
CARES Team
If a resident is concerned about the health, wellbeing, or safety of any individual on campus, they should notify their RLC or fill out the form available on the CSU-Pueblo website: https://secure.csupueblo.edu/CampusSafety/person-of-concern.asp.

Elevator Safety
All Residence Halls have elevators. If an elevator stops functioning while in operation, residents should press the alarm button and remain inside the elevator until help arrives. Only trained and authorized personnel are permitted to remove occupants from the elevator. Under no circumstances should anyone else try to release trapped occupants or attempt to force elevator doors open. In the event of inclement weather or a fire, do not use the elevator.

Emergency Notification System
In the event of an emergency or an unexpected closing of the university, Colorado State University–Pueblo will communicate pertinent information through many channels including: internet announcements, emergency messages through telephone, student emails, the CSU-Pueblo radio station, news, media releases, and text messages.

Students can sign up to receive text message alerts pertaining to campus emergencies or closures through their PAWS Student Services account.

1. Remain calm.
2. Close your room door and lock it.
3. Evacuate University Housing using the nearest safety exit stairway.
4. People who cannot traverse stairs should exit through the main entrance if they are on the main floor. If residents are on a higher floor, they should go to the nearest stairwell and wait safely inside for emergency personnel.

Interference with smoke detectors will result in disciplinary action. Students responsible will be assessed for all damages that occur as a
result of their tampering with fire and/or safety equipment. In addition, all violators are subject to conduct action and possible criminal prosecution.

**Inclement Weather**

*Snow Storms*
When a snow storm occurs or is about to occur students should take necessary precautions and pay attention to the T-WOLF portal for pertinent information.

*Thunderstorms*
Students should move all activities indoors at the sign of inclement weather.

*Tornadoes*
When severe weather conditions exist, it is your responsibility to seek shelter away from windows or to lower levels immediately. A tornado can develop so rapidly that no warning is possible. However, should the National Weather Service (NWS) issue a Tornado Watch, residents are cautioned that the conditions favor the occurrence of tornados and severe weather. A NWS Tornado Warning indicates that a hazardous event is occurring or is imminent.

When a Tornado Watch or Warning has been issued, residents should remain calm and seek shelter on the lowest floor possible toward the center of the building and preferably in a windowless hallway. Residents should use the stairwells, not the elevators, as the potential for a power outage always exists with severe weather conditions. Residents also should stay away from windows and glass doors. Residents should remain in the designated area until the “all clear” signal has been issued.

**Missing Persons**
If a member of the university community has reason to believe that a student who resides in on-campus housing is missing for at least 24 hours, he or she should immediately notify the Office of Residence Life and Housing.

The Office of Residence Life and Housing will conduct a “health and safety” entry into the room of the reported missing student.

Upon initial check-in at the University Housing, students will be given the option to identify a contact person (in addition to registering an emergency contact) whom the Office of Residence Life and Housing will notify if the student is determined missing by the Office of Residence Life and Housing and Pueblo Sheriff’s Department. The additional contact information is confidential, accessible only to authorized campus officials and law enforcement, and may not be disclosed outside of a missing persons’ investigation.

If the missing student is under the age of 18 and not emancipated, the Office of Residence Life and Housing will notify the parent or legal guardian and the designated missing person contact (if one was selected), no later than 24 hours after the student is determined to be missing.

**Power Outage**
Should any Residence Hall experience a power outage, students should remain calm and remain on their floor. Students are encouraged to have flashlights available if a power outage occurs. If a student is in an unlighted area, he/she should proceed cautiously to an area with emergency lighting and remain in that area until he/she hears from Residence
Life and Housing staff. If a student is in an elevator at the time of a power outage, they should use the emergency call button or telephone to alert the authorities. In the event of a significant power outage, the front desk of the Residence Halls will serve as the central communication center for Residence Hall staff and students until the power is restored. Residence Life and Housing is not responsible for any items that are spoiled during a power outage.

**Safety Phones**
There are safety phones on campus near the main entrances of each Residence Hall and other campus locations. Safety phones can be identified by their white pillars, blue lights, and have emergency printed on their sides in red letters. The safety phones ring directly to the Sheriff’s Office.

**Theft, Loss, or Damage of Personal Property**
The University assumes no liability for the loss, damage to, or theft of property belonging to the student. The University shall not be liable for claims of any injury or injuries to any person or persons. The University is not liable for damage of property which in any way arises out of the use and occupancy of the Residence Halls and University Village at Walking Sticks. This includes, but is not limited to:

- failure of electrical power
- plumbing, sewer
- presence of snow
- steam
- the occurrence of water leakage
- explosion
- fire
- smoke
- natural occurrences
- law or government action
- any rule of regulation of any government agency

The student is responsible for obtaining personal property insurance.

**Wildlife Precautions**
If a student finds any wildlife in their rooms (insects, snakes, etc.), they should contact their RA or the Office of Residence Life and Housing immediately.
**Residence Hall Conduct**
Residents living in On-Campus Housing are subject to the Student Code of Conduct. In addition to the Student Code of Conduct, residents are also subject to the policies and procedures contained in the Residence Life and Housing Handbook.

It is the responsibility of all members of the Residence Life community to report violations. Any violation of the Student Code of Conduct or the policies and procedures in the Residence Life and Housing Handbook should be reported to a staff member in Office of Residence Life and Housing, such as a RA or RLC. For more specific information on process and possible sanctions, please review the Student Code of Conduct at [https://www.csupueblo.edu/student-affairs/student-conduct/index.html](https://www.csupueblo.edu/student-affairs/student-conduct/index.html) or contact the Office of Student Conduct and Case Management.

**Termination of Student Housing Agreement**
As outlined in the Student Housing Agreement, a violation of the Student Code of Conduct is a breach of the Housing Agreement and may result in termination of the Agreement. CSU-Pueblo will not refund a resident’s unused portion of the Student Housing Contract fees when termination is as a result of dismissal for disciplinary reasons.

**Damage/ Community Billing Policy**
Charges may be assessed for damage to or loss of University property in the resident’s room, rooms of other students, and/or common areas (i.e. hallway, bathrooms, stairwells, etc.). Room and common area damage may result in the reassignment or cancellation of the housing agreement of those individual(s) found to be responsible, in addition to the assessment of costs for repairs and/or replacing damaged items. Community billing of residents may take place when damage has been done to the community and an individual or individuals is not found responsible or can’t be determined. Damage billing charges will be placed on student’s PAWS accounts and written notification via student email and/or letter will be provided to students.
