 - a. **Be sure to click “Save” on every page** to be sure that you don’t have to re-enter feedback – **Very Important!**
 - b. The “Goal Comment” tab can be used for written comments (strengths and suggestions) for each goal area.
 - c. The “Assessment” tab should be used to rate the student’s performance during fieldwork. The instructions and rating scale can be seen below, and should also be shown on the webpage. Please note that there may be multiple pages of standards to evaluate. Watch for arrows at the bottom of the popup window when in the Assessment tab. The arrows will help you navigate to all standards.

Instructions to Reviewer: Please evaluate the student based on the following elements from our program standards and dispositions. Compare this student’s performance to an individual who has completed an educator preparation program and is ready to enter the workforce as a teacher (i.e., many ratings may be below 3). **Use only whole numbers for your ratings.**

Rating Scale for Teacher Quality Standard Elements (those starting with “TQS”)

1 = Basic (Minimal Understanding/Application), 2 = Partially Proficient (Needs Help/Inconsistent), 3 = Proficient, 4 = Accomplished (often exceeds standard), 5 = Exemplary (consistently exceeds standard)

Rating Scale for Program Disposition Elements (those starting with “PD”)

1 = Stop! (Severe Concern), 2 = Caution! (Growth Opportunity), 3 = Go! (Satisfactory Performance), 4 = Cruise Control! (Excellent Performance)

- d. The Overall Comments tab can be used to document your overall final thoughts about the student.
4. When all ratings and comments have been entered and save, click “Close” at the bottom of the page.
5. That’s it!!!! Thanks so much for your willingness to work with our students.
