

**Colorado State University-Pueblo Department of Nursing
Physical Exam
(Must be within 12 months of start date)**

Ability to perform the following activities is required of all CSU-Pueblo nursing students and hires:

Walking/Standing: Must be able to walk/stand for extended periods; must be able to negotiate stairs.

Lifting/Carrying: Must be able to lift up to 50 pounds. This includes lifting and carrying medical equipment, charts, supplies, and medications; and lifting, transferring, and moving patients, requesting assistance if necessary.

Pushing/Pulling: Required in positioning and moving patients and medical equipment. Must be able to perform CPR.

Stooping/Kneeling/Reaching: Must be able to twist, bend, stoop, kneel, and reach while performing patient care.

Vision: Must be able to accurately read medication labels and prepare medications; must be able to read written documentation and medical monitors.

Depth Perception: Must be able to recognize that objects have depth, height, and width.

Hearing: Must be able to hear sounds using a stethoscope (may be an amplified stethoscope if necessary).

Fine Motor Skills: Must have the dexterity and coordination to write clearly and precisely, to perform nursing procedures, and to grasp and control medical equipment.

Tactile Sensation: Must be able to feel vibrations, temperature changes, and pulses.

I have obtained a health history and performed a physical examination on the below-named patient. In my estimation, this patient meets the above criteria and has no physical limitations that would inhibit her/his ability to participate fully in clinical activities in a health care or classroom setting. Any exceptions are described in a separate attachment.
