

Independent Verification Worksheet 2024-2025

Your 2024-2025 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding you federal student aid, we may ask you and your parents to confirm the information you reported on your FAFSA. If there are differences, your FAFSA information may need to be corrected. You and any parent whose information was reported on the FAFSA must complete and sign this worksheet, attach any required documents and submit them to us. We may ask for additional information. If you have any questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
