The law says that before awarding you federal student aid, we may ask you and your parents to confirm the information you reported on your FAFSA. If there are differences, your FAFSA information may need to be corrected. You and any parent whose information was reported on the FAFSA must complete and sign this worksheet, attach any required documents and submit them to us. We may ask for additional information. In most cases, no further documentation is needed to verify 2019 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed.
