On your student's Dependent Verification Worksheet you included dependent(s) other than your children and/or spouse that you support.

Support for your dependent(s) includes housing, food, clothing, medical, and dental care, childcare, money, gifts, etc. that you provide. **Money you receive from your parent(s) cannot be included as a resource for your dependents' support.** Resources that enable you to provide the support can include:

1. Earnings you receive from work or in-kind support (housing/food in exchange for work)
2. Assistance you receive from other agencies (such as Medicaid, Temporary Assistance for Needy Families, and SNAP).

Complete the chart if you have **dependents** (other than your children or spouse) and if at the time you completed your FAFSA:

1. They lived with you and received more than half their support from you **AND**
2. Will continue to receive more than half their support from you through **June 30, 2023**
