PARTNERSHIPS

Club Colors

- Need custom apparel, promotional items, or branded merchandise for your department, event, or program? Through the bookstore's partnership with Club Colors, we have access to a dedicated branding resource that makes creating high-quality, officially licensed products simple and seamless.
- From orientation welcome kits and department apparel to staff uniforms and event giveaways, Club Colors offers end-to-end support to help bring your ideas to life.

EXPANDING ACCESS

- Barnes & Noble College has expanded inventory availability across their national distribution network.
- These enhancements include the New Publisher Backstock Program and Customer Direct Fulfillment (CDF). Together, they create an "endless shelf" experience by strategically positioning supplemental inventory across BNC national distribution network and shipping inventory directly to students, our store, or other fulfillment points when a title isn't available in-store.
