

CSU PUEBLO

partnering to expand resources

Purpose: The Office of University Operations is excited to seek partners to help advance our academic mission through increased financial sustainability.

Potential Partnership: Food Vending

After careful cost analysis, the food vending has been identified as an area that would benefit significantly from external partnership. We are currently reviewing a proposal from **GlobalConnect**.

Proposal Foundation

Financial Impact

- The commission model removes the risk and cost of buying and stocking products from the University.

Expanded Services

- The real-time data provides better selection and quantity of products.
- Modern machines allow for more payment options.

Flexibility

- The global company provides a loyalty program that can be used around the world.
- Customers have the ability to choose the recipients of charitable donations.

Our Commitment

The Auxiliary Services Office is dedicated to supporting and furthering the University's goals.

Commitment to Our Community

- Clear marketing and branding
- Contact information for concerns and suggestions

Commitment to Financial Stability

- The commission model removes the risk of expenditures outpacing revenue.

Commitment to Transparency

- Usage data will be collected and provided as needed.

Join Us in Advancing
Academic & Financial
Excellence

The Office of University Operations invites campus stakeholders to engage with us in this strategic partnership initiative. Together, we can improve student experience, reduce costs, and create lasting value for our academic community.
