COLORADO STATE UNIVERSITY PUEBLO
Hasan School of Business

CYBER SECURITY
VIRTUAL LECTURES

Hosted by the Center for Cyber Security Education and Research

The Virtual Lecture Speaker Series offers insight on the role of cyber security in our technology infused lives. Additional events planned.

The Center for Cyber Security Education and Research (CCSER) is located in the Malik and Seeme Hasan School of Business at Colorado State University Pueblo and is designated by the National Security Agency (NSA) and the Department of Homeland Security (DHS) as a National Center of Academic Excellence in Cyber Defense Education.
