Letter from the Deans

At Colorado State University Pueblo, our mission is to prepare graduates for professional positions in nursing and Allied Health. Our students are trained to be safe, competent, and caring professionals who meet the health care needs of diverse populations.

Earning a health care degree at CSU Pueblo will help you advance your professional career, earn a higher salary, obtain job security and gain leadership opportunities.

Our programs are nationally recognized for their great value and excellent curriculum. Other perks include flat tuition rate for online programs, caring and dedicated professors, and military scholarships for qualifying applicants.

Welcome to our community. We look forward to having you enroll with us!

Dr. Joe Franta
Dean, College of Health, Education and Nursing

Dr. Kristyn White Davis
Dean, Division of Extended Studies

Getting Started

How to Apply

Visit www.csupueblo.online to fill out the online application, or call the Online Programs Advisor at 719.549.2200.

Admissions Process

1. Talk to an advisor
