Connection to the Master of Education (M.Ed.) Program (38 credit hours):

All courses taken at the graduate level are potentially eligible for credit toward the M.Ed. program. Which courses count is dependent on the emphasis area chosen for the M.Ed. Please contact the Associate Dean of Education if you have questions about the M.Ed. program and how it connects to the Instructional Technology Teacher added endorsement.

From the courses listed above, 27 credit hours would count toward the M.Ed. in Instructional Technology.
